PREFACE

The COUNTY OF INGHAM and the CAPITOL CITY LABOR PROGRAM, INC., recognize their moral and legal responsibilities under federal, state, and local laws relating to fair employment practices.

The County and the Division recognize the moral principles involved in the area of civil rights and have reaffirmed in this Collective Bargaining Agreement their commitment not to discriminate because of race, religion, creed, color, national origin, age, sex or handicapped except for a BFOQ (bona fide occupational qualification).

AGREEMENT

THIS AGREEMENT is entered into this 1st day of January, 2018, by and between the COUNTY OF INGHAM, (hereinafter referred to as the “COUNTY”) and the CAPITOL CITY LABOR PROGRAM, INC., Ingham County Division, (hereinafter referred to as the "DIVISION").

It is the intent and purpose of this Agreement to assure sound and mutually beneficial working and economic relationships between the Parties hereto, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth herein the basic agreement between the Parties concerning rates of pay, wages, hours of employment, and other conditions of employment as specified in this Agreement.

ARTICLE 1

RECOGNITION OF THE DIVISION

Definition of the Bargaining Unit

1.1 Pursuant and in accordance with the applicable provisions of Act 336, Public Acts of Michigan, 1947 as amended, the County does hereby recognize the Division as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages and conditions for employment for the duration of the
agreement for all employees of the County included in the bargaining unit set forth below:

All Ingham County 9-1-1 Call Takers and 9-1-1 Dispatchers

ARTICLE 2

DIVISION SECURITY AND CHECK-OFF

Discrimination

2.1 The County will not discriminate against any employee because of voluntary membership in the Division.

Division Security

2.2 All employees in the bargaining unit may voluntary choose to become and remain members in good standing of the Division.

Dues Check-Off

2.3 If an employee voluntarily elects to submit a dues deduction form, the County agrees to deduct the monthly Division dues or the representation fee from the pay of employees subject to and contingent upon the following:

2.3.1 The Division shall obtain from those employees who voluntarily choose to become members a completed check-off authorization form which shall conform to the respective state and federal laws concerning that subject or any interpretations made thereof. The check-off authorization form shall be filed with the County Human Resources Director, who may return an incomplete or incorrectly completed form to the Division's Treasurer and no check-off shall be made until such deficiency is corrected.

2.3.2 The County shall only deduct obligations which are due at the time of check-off and will make check-off deductions only if the employee has enough pay due to cover such obligation, and will not be responsible to the employee if he has duplicated a check-off deduction by direct payment to the Division.

2.3.3 The County's remittance will be deemed correct if the Division does not give notice, in writing, to the County Human Resources Director within two (2) weeks after a remittance is sent, of its belief, with reasons stated therefor, that the remittance is incorrect.

2.3.4 Any employee may terminate his check-off authorization by written notice to the County Human Resources Director.
2.3.5 The Division shall provide at least thirty (30) days' prior written notice to the County Human Resources Director of the amount of Division dues or representation fee to be deducted from the wage of employees in accordance with this Article. Any changes in the amounts shall be provided to the County Human Resources Director at least thirty (30) days prior to the effective date.

**Indemnity Provision**

2.4 The Division agrees to defend, indemnify, and save the County harmless against any and all claims, lawsuits or other forms of liability arising out of its deduction from an employee's pay of Division dues or representation fees, or reliance on any list, notice, certification or authorization furnished under this Article. The Division assumes full responsibility for the disposition of the deductions so made once they have been sent to the Division.

2.5 The terminology within the dues authorization forms does not bind the County to anything other than what is specified in ARTICLE 2 and that which is consistent with the law.

**ARTICLE 3**

**DIVISION BARGAINING COMMITTEE**

**Bargaining Committee**

3.1 The bargaining committee of the Division will not include more than two (2) employees and may include not more than one (1) non-employee representative and one (1) representative from the Capitol City Labor Program, Inc. The Division will furnish the County Human Resources Director with a written list of the Division's bargaining committee prior to the first bargaining meeting and substitution changes thereto, if necessary.

3.2 Unless prohibited by law, employee members of the Division bargaining unit will be paid for time spent in negotiations with the County in the event they are scheduled to work during a bargaining meeting. Said time shall be only for straight time hours they would otherwise have worked on their regularly scheduled shift. An employee scheduled to work on the day of a regularly scheduled bargaining session may also be credited with up to one-half hour for travel to and one-half hour from the place of bargaining as time worked during his/her tour of duty of that day, if said time is needed for travel.

3.3 Except for the following, no pay shall be received for time spent in accordance with this Article if the employee is not scheduled to work. An employee participating in contract bargaining in accordance with Section 1 above for at least four (4) hours on a given day and whose scheduled work shift begins less than
four (4) hours after the negotiating session terminates, shall be allowed four (4) hours off with pay at the end of that shift.

**ARTICLE 4**

**SPECIAL MEETINGS**

**Special Meetings**

4.1 The Parties agree to meet and confer upon any terms of this Agreement needing clarification upon the written request of either Party. The written request shall be made in advance and shall include an agenda stating the nature of the matters to be discussed and the reasons for requesting the meeting. Discussion shall be limited to matters set forth in the agenda, but it is understood that these special meetings shall not be for the purpose of conducting continuing collective bargaining nor to in any way modify, add to, or detract from the provisions of this Agreement.

4.2 Special meetings shall be held within ten (10) calendar days of the receipt of the written request and shall be held between 8:00 a.m. and 5:00 p.m. at a time and place which is mutually agreeable to the Parties. Each Party shall be represented by not more than four (4) persons, and the Division representatives shall be Division members, or one of those persons may be the Division Attorney or one of those persons may be a Division representative.

4.3 Employee representatives of the Division at special meetings will be paid by the County for time spent in special meetings, but only for the straight time hours they would otherwise have worked on their regular work schedule.

**ARTICLE 5**

**SENIORITY**

**Seniority**

5.1 Seniority shall mean the status attained by continuous length of service in positions identified in the bargaining unit. Employees actively employed on by the City of Lansing or East Lansing as of the integration date who are hired by the County on or before June 27, 2012 shall retain their previous bargaining unit seniority as reported to the County by the City.

5.2 The County shall maintain a roster of bargaining unit employees, arranged according to seniority, showing name, position, class and seniority date, and shall furnish a copy to the Division at the first of each year, or as soon as practical each year.
5.3 An employee originally hired into a regular County position and subsequently transferred to a grant funded position shall maintain his/her seniority from the original date of hire and shall be treated in all respects as a regular County employee for purposes of seniority.

5.4 Employees hired into the department under a state or federal grant shall be treated the same as regular funded County employees for the purposes of layoff and recall; excepting, however, if the state and/or federal grant requires different layoff and recall procedures.

5.5 For any County (including Courts) employee who transfers between bargaining units, such employee's length of continuous service with the County (and the Courts) with no break in service prior to the transfer, shall be utilized for the purpose of calculating fringe benefit accrual only and NOT for the purpose of calculating seniority within the new bargaining unit.

ARTICLE 6

LOSS OF SENIORITY

Loss of Seniority

6.1 An employee shall lose his/her status as an employee and his/her seniority if:

6.1.1 He/she resigns or quits;

6.1.2 He/she is discharged and is not reinstated;

6.1.3 He/she retires;

6.1.4 He/she has been on layoff for a period of time equal to his/her seniority at the time of his/her layoff or two (2) years, whichever is lesser;

6.1.5 He/she is absent from work, including failure to return to work at the expiration of a leave of absence, vacation, or disciplinary layoff, for three (3) consecutive working days without notifying the County, except when the failure to notify and work is due to circumstances beyond the control of the employee, which must be satisfactorily verified by the employee;

6.1.6 If he/she accepts a worker's compensation settlement which waives his/her seniority or employment rights;

6.1.7 He/she makes an intentionally false statement on his/her employment application or on an application for a leave of absence;

6.1.8 He/she is convicted of a felony.
ARTICLE 7

LAYOFF AND RECALL

Layoff Defined

7.1 Layoff shall mean the separation of an employee from the active work force.

7.2 When the number of employees in the work force is reduced, employees shall be laid off in reverse seniority order based upon capability of performing available jobs and they shall be recalled in the same order.

7.3 An employee subject to layoff, who so requests, shall, in lieu of layoff, be demoted by seniority to a lower position at 911 (if, in the future, more than one classification of County Emergency Communication Technicians is established), provided that he/she is qualified for the position to which he/she seeks demotion and has more seniority than the employee holding that position. The compensation shall be at the lower classified position based upon years of service.

7.4 Employees who have been laid off and who, within ten (10) calendar days after notice of a recall by certified mail to their last known address, fail to respond as directed, or who decline recall, shall be presumed to have resigned and their names shall be removed from the seniority list unless extenuating circumstances exist. In the event of the Union or employee asserting extenuating circumstance, and upon request of the Union, the Employer with the Union will meet and discuss whether there exists extenuating circumstances for a specific employee. After such meeting, the Director’s determination existence or non-existence of extenuating circumstances may be appealed to the Personnel Committee of the Ingham County Board of Commissioners whose decision shall be final. Recalled employees shall return at the same relative seniority ranking as when the employee was laid-off.

7.5 In the event it is necessary to eliminate a position, demotion shall be based on reverse seniority order.

7.6 The Parties to this Agreement recognize that:

7.6.1 The County and Director have the exclusive right to assign personnel in the bargaining unit to any position in the bargaining unit and to determine assignments; and

7.6.2 The County and Director have the legal authority to determine which particular position(s) shall be subject to layoff pursuant to this Article.

7.7 It is not the intention of the Parties to afford any one group in a classification preferential treatment for layoff and recall purposes.
ARTICLE 8

SHIFT-PREFERENCE

8.1 Under the current shift schedule, two 6 month shifts and team selections will be bid twice per year, by each group, Call Takers and Dispatchers. Call Takers will be assigned to each of the 4 teams.

8.1.1 Selection for bids will begin August 1st and end on August 15th for the period beginning with the first full pay period in January through the end of the first full pay period in July. (i.e. for 2017 this period for bids will begin January 7, 2017)

8.1.2 Selection for bids will begin March 1st and end on March 15th for the period beginning with the second pay period in July through the end of the first full pay period in January. (i.e. for 2017 this period for bids will begin July 8, 2017)

8.1.3 Shift and team assignments shall be posted within 14 days of the end of the selection period and will be determined on the basis of seniority for non-probationary employees.

8.1.4 If there are insufficient trainers on a specific shift the Employer may reassign the least senior trainers on the basis of unit seniority to another shift if there are no volunteers. If the Employer reassigns trainers, the reassigned employee shall be assigned to the corresponding team on the opposite shift.

8.2 Any employee who fails to submit a timely bid shall forfeit his/her preference for that period and may be assigned any shift/team by the 911 Director.

8.3 Employee seniority is indicated on by the employee ID number. Employees will be placed on a seniority list with the lowest Employee identification number of unit members indicating the individual with more seniority. Employee numbers will not be reused by the Employer.

8.3.1 Employees will bid for shifts among other employees in the same job assignment.

8.3.2 The Employer determines shift schedules. In the event the employer elects, in its discretion, not to utilize 12 hour or Pittman shifts, the Employer and Division shall meet to agree upon the method for determining shift preferences for such schedule.
8.4 The Employer will use an electronic scheduling program that will be used to select team and shift assignments. The shift and team selection process shall be an open selection, provided however, that the assignment of supervisors to a shift/team may or may not, in the discretion of the Employer, be disclosed.

8.5 The Employer will permit employees to bid for teams as well as shifts by seniority.

8.6 Employees may be permitted to trade days off as follows: In order to trade days off, twenty-four (24) hour prior written notice by both employees must be provided to the 911 Director or his/her designee. The 911 Director will not unreasonably deny the trading of days off.

8.6.1 In addition, employees may, within 10 days prior written notice signed by employees, request to trade all or a portion of the remaining six month bid period. The 911 Director will not unreasonably deny the all or a portion of the remaining bid period.

8.6.2 However, the trading of days off or the trading all or a portion of the remaining bid period will not be permitted under any circumstances where it results in overtime compensation, where it is utilized to circumvent the seniority bid process so as to circumvent a higher seniority employees bid preference, or to eschew an assigned supervisor.

8.6.3 A denial of the request of the employees by the 9-1-1 Director or his/her designee shall not be subject to the grievance procedure. The only appeal procedure available should a dispute arise under this Article, will be to the Employer’s Human Resources Director.

8.7 It is agreed to between the Parties that, in the event of an emergency within the Ingham County 9-1-1 Center, the shift-preference Article may be suspended by the County and the 9-1-1 Director may assign personnel irrespective of the shift-preference schedule for the length of the emergency.

8.8 It is also agreed that if a particular team has two or more employees either on an approved leave of absence or a vacancy due to resignation, quit or termination of employment, the Director or his designee may first ask for volunteers. Of those who volunteer, the most senior shall fill the vacancy. If there are no volunteers, the Director may move the least senior employee to that team for the duration of the absence or may opt to move a probationary employee if feasible.

8.9 Probationary employees will be assigned shifts by the 9-1-1 Director or his/her designee for the first year of his/her employment. After the initial year of employment, the employee is eligible to bid for shifts during the next scheduled bid preference selection.
8.10 It is expressly understood and agreed to between the Parties that the 9-1-1 Director and/or his designee shall have the authority to determine how many employees shall be working at any particular time, notwithstanding any contrary provisions contained herein.

8.11 It is expressly understood and agreed to between the Parties that employees cannot refuse mandatory overtime.

ARTICLE 9

DISCIPLINE

Discipline

9.1 Discipline and discharge shall be for just cause.

9.2 Notwithstanding any other provision contained in this Agreement to the contrary, probationary employees may be disciplined or discharged with or without cause.

9.3 No occurrence for which an employee has been disciplined may be considered for progressive discipline after two (2) years from the date of such occurrence. Such disciplinary history may, however, be used as evidence of an employee’s knowledge.

9.4 Notices of discipline shall be removed from the employee’s personnel file if requested; after two (2) years if, within the two (2) year period the employee has not engaged in any similar act which formed the basis of the earlier discipline and once removed will not be considered for progressive discipline. Such disciplinary history may, however, be used as evidence of an employee knowledge.

9.5 Counseling is informal and not discipline.

9.6 Verbal warnings are informal discipline and although not subject to arbitration they are subject to the grievance procedure and appeal up to the 9-1-1 Director.

9.7 Employees shall be notified by the Human Relations Director or 911 Director within 10 days on any occurrence of which the County becomes aware which may result in discipline provided such notification would not hinder an investigation of the incident.

9.8 Written reprimands are the first step of formal discipline; however, written reprimands are not eligible for arbitration. The grievance procedure as applied for written reprimands ends with an appeal to MERC mediator.
9.9 All discipline will be concluded within 30 calendar days of the date on which the event occurred unless the Employer sends, in writing, a notice of extension for an additional period not to exceed 30 days and the employee is copied on such notification. This time period will be extended for the duration of any ongoing criminal investigation into the subject matter of the discipline.

**ARTICLE 10**

**GRIEVANCE PROCEDURE FOR THE INTERNAL OPERATIONS OF THE DEPARTMENT**

**Grievance**

10.1 A grievance under the internal operations of the Department is defined as a claim reasonably and sensibly found to be a violation of the Department rules and regulations promulgated and issued by the 911 Director.

10.2 Any grievance filed shall set forth the matters upon which the grievance is founded, including the name of the employee against whom the grievance is lodged and the date and time and circumstances under which the alleged acts took place.

10.3 Any employee having a grievance in connection herewith shall present it to the immediate superior employee or the command employee against whom the grievance is lodged, who shall immediately take steps to resolve the grievance in accordance with the rights of the Parties.

10.4 If the grievance is not resolved, either the alleged aggrieved Party or the Party against whom the grievance is lodged may present the grievance to the next superior employee in line and the same steps shall be followed until such time as a grievance is resolved or submitted to the 911 Director for his disposition.

10.5 A grievance concerning internal operational matter may be appealed to the County Administrator/Controller or their designee but may not proceed to arbitration.

10.6 Only an appeal of the 911 Director's decision regarding discipline in the form of suspension without pay or discharge may proceed to arbitration in conformity with ARTICLE 11. Counseling, verbal warnings and written reprimands are not subject to arbitration (see Sec. 9.8 for written reprimands).

**Election of Remedies**

10.6 When remedies are available for any complaint and/or grievance of an employee through any administrative or statutory scheme or procedure for a Veteran's
Preference Hearing pursuant to Act 305 of the Public Acts of 1897, et seq., or any federal law pertaining thereto, and/or Civil Rights matters pursuant to Act 453 of the Public Acts of 1976, or any federal law pertaining thereto, in addition to the grievance procedure provided under this contract, and the employee elects to utilize the statutory or administrative remedy, the Union and affected employee shall not process the complaint through any grievance procedure provided for in this contract.

10.7 If an employee elects to use the grievance procedure provided for under this contract and subsequently elects to utilize any of the above-stated statutory remedies, then the grievance shall be deemed to have been withdrawn and the grievance procedure provided for hereunder shall not be applicable and any relief granted shall be forfeited. This provision shall not be interpreted to prohibit an employee from availing themselves of remedies provided under the Michigan Worker's Compensation Act or bringing a charge with the Equal Employment Opportunity Commission while pursuing a grievance.

ARTICLE 11

CONTRACT GRIEVANCE PROCEDURE

Grievance Defined

11.1 A grievance is defined as a reasonably and sensibly founded claim of a violation of any of the terms of this Agreement, except that internal operations including discipline and discharge shall be pursuant to ARTICLE 10, Sections 1 and 2, and shall not be covered under this Article.

11.2 Any grievance filed shall refer to the specific provision alleged to have been violated and it shall adequately set forth the facts pertaining to the alleged violation.

11.3 Any claims not conforming to the provisions of this definition shall be automatically denied as not constituting a valid grievance.

11.4 An employee having a grievance in connection with the terms of this Agreement shall present it as follows:

11.4.1 STEP 1: The Grievance shall be reduced to writing by the employee, dated, and must be co-signed by a Division representative and presented to the 911 Director, or the person acting in said capacity, within ten (10) days after the grievant knew, or should have known, of the occurrence of the matter aggrieved in order to be a proper matter for the grievance procedure.
11.4.2 The grievance shall be set forth the facts, including dates and provisions of the Agreement that are alleged to have been violated, and the remedy desired.

11.4.3 The grievance shall not be considered submitted until the 911 Director, or the person acting in his capacity receives the written grievance.

11.4.3.1 At the time it is received, it shall be dated, signed and a copy returned to the aggrieved employee or Division representative.

11.4.4 A meeting will be arranged by the employee or his representative and the 911 Director, or his designee, to discuss the grievance. The Division representative may meet with the employee at a place designated by the 911 Director for up to ½ hour prior to a grievance meeting.

11.4.5 The 911 Director, or his designee, will then answer the grievance in writing within ten (10) days from the date of the meeting at which the grievance was discussed.

11.5 **STEP 2:** If the answer of the 911 Director is not satisfactory, the Division representative shall submit said grievance to the Human Resources Director within ten (10) days after receipt of the answer of the 911 Director as provided in Step 1, indicating the reasons why the written answer of the 911 Director was unsatisfactory.

11.5.1 A meeting between no more than four (4) representatives of the Division and the 911 Director, and/or a representative of the Corporation Counsel and the Human Resources Director shall be arranged to discuss the grievance submitted.

11.5.1.1 Said meeting shall be held within ten (10) days from the date the Human Resources Director received said grievance.

11.5.1.2 The Division representatives may meet at a place designated by the 911 Director or Human Resources Director for one-half hour immediately preceding said grievance meeting.

11.5.1.3 The Human Resources Director shall answer the grievance within ten (10) days of the date of the meeting at which the grievance was discussed.

11.6 **STEP 3:** If the answer of the Human Resources Director is not satisfactory, the Division President may submit for arbitration within thirty (30) days after the
11.6.1 The decision of the arbitrator shall be final.

11.6.2 The fees and approved expenses of Step 3 shall be paid equally by the County and the employee.

11.6.3 In the event that a grievance is submitted to arbitration, the Employer and the Division by mutual agreement may submit the grievance to non-binding facilitative mediation through a mutually agreed upon mediation service or mediator.

11.7 The employee or his/her representative may be present at all steps outlined above, and the arbitration proceeding, without loss of pay or benefits. The Employer and employees will have the right to call witnesses to testify.

11.8 No person or body constituting one of the steps of the grievance procedure outlined above shall have the power to add to or subtract from, nor modify any of the terms of this Agreement, nor shall he/she substitute his/her discretion for that of the County, the 911 Director, or the Division where such discretion has been retained by the County, the 911 Director, or the Division, nor shall he/she exercise any responsibility or function of the County, the 911 Director, or the Division. This limitation shall include the arbitrator as stated in Step 3.

11.9 A grievance not appealed to the next higher step within the time limit the grievance shall automatically proceed to the next step. However, a failure to timely request arbitration shall be deemed as a settlement and full waiver of arbitration.

11.10 Should the Employer or his/her representative fail to respond on time at any step, the grievance shall automatically proceed to the next step. However, a failure to timely request arbitration shall be deemed as a settlement and full waiver of arbitration.

11.11 Saturdays, Sundays and holidays, as provided in this Agreement, shall not be counted in regard to time limitations and dates for submission of grievances, appeals, answers, etc.
ARTICLE 12

PROMOTIONAL PROCEDURES

Requirements for All Applicants and Positions

12.1 Minimum requirements for positions shall be posted by the Ingham County Human Resources with the vacancy announcement. The Employer reserves the right to determine qualifications for any specific position(s) and may change the qualifications from time to time. The Employer reserves the right to hire employees from within or outside of the bargaining unit.

12.2 All interested persons must apply for the position at the Ingham County Human Resources and complete all required application forms and submit required information. Failure to do so shall automatically disqualify the person from Consideration.

12.3 All applications will be screened by the Ingham County Human Resources, and applicants meeting minimum requirements shall be referred to the Ingham County 9-1-1 Director's Office for further consideration.

12.4 Applicants may be required to complete a written exam prior to referral for additional consideration. If required, the written examination shall be job related.

12.5 In the event that a written exam is given as determined by the 9-1-1 Director, the number of applicants invited to the Oral Board shall be determined by the number of applicants passing the exam.

12.6 Oral Boards will be required. The Oral Board shall consist of the Deputy Director or his designee, a 9-1-1 dispatch supervisor, and a non 9-1-1 representative which may include a police representative, fire/medical representative, personnel professional or telecommunications professional from the Tri-County area if such person is willing and available to serve.

12.7 The Oral Board will rank all of the applicants at the conclusion of the Oral Board and forward the applicant list to the 9-1-1 Director. The 9-1-1 Director will then interview from the top sixty percent (60%) of those tested.

12.7.1 Notwithstanding the above, in cases where there are 10 or less qualified applicants, the 9-1-1 Director may interview from the entire list.

12.7.2 Where the calculation of 60% results in a fraction the number will round up at .5 or more and round down at .4 or less.
12.8 Selection of personnel from the rankings shall be based upon examination score (if applicable), Director’s interview, assessments (past two years), work performance, merit and personnel records.

12.9 If a written examination is given, in the event that the individual with the highest examination score is not selected, the Employer will provide written explanation to the employee. This shall in no way negate the right of the Employer to utilize the above criteria in the selection determination.

12.10 Any Department employee who has been promoted, but does not complete the probationary period or who prior the expiration of the probationary period requested to return to the Unit, shall have the right to return to his/her previous position, unless said employee has been dismissed from the Department (either or just cause or due to incompletion of the "new employee" probation). The employee shall not accrue bargaining unit seniority while outside the unit.

For newly formed couples either through marriage or new employment on or about January 1, 2007, there will be no eligibility for health waiver payments.

35.7 Newly hired full-time employees shall receive single subscriber coverage only for the first ninety (90) calendar days of their employment. Additional coverage may be obtained if the employee so desires. In that event, the employee, through payroll deduction, shall be
responsible for the difference. Upon completion of the first ninety (90) calendar days of employment, each full-time employee will be eligible for full family coverage. Dependents will be covered the first of the month following the employee’s completion of the first ninety (90) calendar days of employment.

35.8 Effective the first of the month following 30 days after execution of the contract by all the parties in 2003, retirees eligible for retiree health and hospitalization coverage may also enroll at the retirees' cost in dental and vision coverages offered to active employees, provided they enroll for such coverages upon retirement. Retirees that enroll in dental and vision coverage and subsequently drop coverages, may not re-enroll.

35.9 Unless prohibited by law, certain individuals who satisfy the requirements of Resolution #08-042 will be provided health insurance pursuant to the benefit eligibility requirements of the County, health care providers and IRS regulations. Such provision of healthcare benefits are subject to elimination or modification by the County to the extent permitted by law. If such provisions of health care benefits are no longer permitted by law, the requirements of Resolution #08-042 shall still be used to determine eligibility for other benefits as referenced in other Articles of this Agreement.

35.10 Health Care Cost Coalition. The Employer and the Association recognize the rapidly escalating health care costs, including the cost of medically unnecessary services and inappropriate treatment, have a detrimental impact on the health benefit program. The parties hereby establish a joint coalition for the purpose of investigating health care cost containment issues which shall continue during the term of this Agreement, including medical, dental and optical insurance; health insurance waivers; and health flexible benefit programs, health savings account plans, and similar programs. The Coalition shall be subject to the following provisions:

A. The Coalition shall be comprised of representatives from the Employer and each bargaining unit who agree to participate.

B. The Association representatives shall be granted time off with pay as is reasonably necessary to meet.

C. The Coalition shall meet at the mutually agreed upon times agreed to by the Employer and the bargaining unit Coalition representatives. Minutes of each meeting shall be taken.

D. Any tentatively agreed healthcare plan changes by the Coalition will be presented to the Employer and each bargaining unit for ratification pursuant to each party’s normal ratification procedure.

35.11 The Employer and the Association agree to negotiate on the addition of alternate health plans should the Employer so request of the Association. However, such plans cannot be implemented without the mutual agreement of the parties.
In the event health insurance cost containment measures are identified following the date of ratification of this agreement, then the bargaining unit agrees to negotiate those measures so identified in good faith.

35.12 It is the intent of the parties to this Agreement to implement the recommendations of the Ingham County Health Care Coalition for the 2018 health care options as approved by the Ingham County Board of Commissioners in Resolution # 17-404, including maintenance of the HRA plan, the comprehensive healthcare management program, and the use of the previous year's savings from the self-insured portion of the plan as a one-time reduction in the 2018 employee premium cost share. It is the intent of the parties to this Agreement to continue the recommendations of the Ingham County Health Care Coalition for the 2015 in Resolution # 14-436 of the 50% of any net savings in health care costs to reduce employee premium cost share beginning in 2016, being applied to all employee groups that agree to implement the comprehensive healthcare management program.

35.13 **Dental Insurance.** The County shall provide dental insurance for full-time, ¾ time and part-time employees and their dependents as follows:

A. Introduction

Ingham County places a great deal of importance on work attendance by employees and does provide for absences due to illness of the employee or an immediate family member. However, the County recognizes that there are times when unforeseen events happen when employees need assistance from their fellow employees due to FMLA qualifying events that result in need for sick leave (or leave time for employees of the Road Department) donations from other employees.

B. Guidelines

1. To be eligible to accept sick leave donations an employee:
   a. Must not be on probation.
   b. Must have an FMLA qualifying event that would cover the employee or the employee’s FMLA covered family members.
   c. Must have exhausted all forms of compensation as listed in their collective bargaining agreement.
   d. May be on collective bargaining unit unemployment manual special leave due to exhaustion of FMLA.
   e. Must make a request for sick leave donations to their immediate supervisor.

2. To be eligible to donate sick leave an employee:
   a. Must not be on probationary status.
   b. Must have at least 80 hours of sick leave in their accrual bank.
   c. Must respond to request for sick leave donation by the posted deadline.

3. Sick Leave Donations
   a. Employees who are eligible to donate sick leave may donate up to 40 hours of sick leave in a calendar year to a maximum of 3 people.
Sick Leave Donation Policy

b. Sick leave donations can be made to any Ingham County employee regardless of department or collective bargaining unit affiliation.

c. Sick leave donations will not affect the donating employee’s option to participate in annual sick leave buy out.

d. Employees must respond to requests for sick leave donations by the posted deadline in order to donate.

e. Employees may only make 1 sick leave donation request for each FMLA qualifying event which will result in an extended absence from work.

f. The employee will not earn any accruals while receiving sick leave donations.

4. Sick Leave Donation Process

a. An employee with a FMLA qualifying event who has exhausted all forms of compensation makes a request for sick leave donations to their immediate supervisor.

b. The supervisor contacts Human Resources (HR) with the sick leave donation request.

c. HR will verify that the employee is eligible to request sick leave donations.

d. Once verified HR will send out a sick leave donation request to all Ingham County employees. The request will include the following information:

i. Employee name

ii. Department

iii. Collective bargaining unit (if any)

iv. Deadline to donate

e. All requests for sick leave donations will be open for 3 weeks; no sick leave donations will be accepted after the posted deadline.

f. Employees who wish to donate their sick leave must respond to HR by the posted deadline with the name of the employee they wish to donate to and the number of sick leave hours they are donating.

g. HR will verify that employees who have donated are eligible to donate sick leave.

h. Sick leave donations will be utilized on a first come, first donated basis.

i. All sick leave donations received will be placed into the requesting employee’s donated sick leave accrual bank for their use. If there is a balance of donated sick leave upon the
Sick Leave Donation Policy

employee's return to work, those hours will be placed in a County-wide sick leave donation bank.
