ARTICLE 3

MANAGEMENT RIGHTS

Section 1. Manage Its Affairs. The unit recognizes that the County and Department reserve and retain, solely and exclusively, all rights to manage and direct their work force and to manage and operate their affairs.

Section 2. Rights. All rights, functions, powers, and authority which the County and Department have not specifically abridged, delegated, or modified by this Agreement are recognized by the unit as being retained by the County and Department.

Section 3. Rules and Regulations. The Department and/or the County shall have the right to amend, supplement, or add to its official departmental rules and regulations during the term of this Agreement provided, however, the Department and/or the County shall notify the Association of any such amendments, supplements, or additions in advance of their effective date.

Copies of all new rules or rule changes shall be given to the Unit President ten (10) days prior to their effective date unless health reasons necessitate immediate implementation. Said rules shall be transmitted to the Human Resources Department for its review. If there is concern regarding the fairness of the rule or rule change, the Union may request a special conference between the Union, a representative of the Human Resources Department, and the Health Officer or his/her representative to discuss the reasonableness of the rule. The Chairperson of the County Services Committee may attend if he or she wishes. In no case will a rule change or new rule become subject to the grievance procedure unless that rule violates a provision of the collective bargaining agreement.

Section 4. Constitutional and Statutory Rights. Neither the constitutional nor statutory rights, duties, and obligations of the Employer shall in any way whatsoever be abridged.

Section 5. Drug Testing and Disclosure of Prescription Drugs. The Department may implement rules and requirements relating to reasonable suspicion drug and/or alcohol testing and requiring employees in safety sensitive positions to disclose prescription drugs where there is a reasonable suspicion that said drug may be affecting the employee's performance of the essential functions of the employee's position. The parties agree that if an employee who has not engaged in attendant workplace misconduct voluntarily self-reports a drug or alcohol problem prior to a request for a drug test, the employee will be permitted to seek treatment. However, where an employee has engaged in workplace misconduct or where the employee has not timely self-reported, the employee will be subject to discipline.

Section 6. Disclosure of Criminal Record. All employees shall fully disclose to their supervisor any criminal felony or work-related misdemeanor convictions. Any employees that work directly with minors or who will have access to minor's records that are convicted of a felony or misdemeanor, including expressly any law relating to drugs or
other controlled substances, or are charged with a felony, or are placed on the CPS Central Registry as a perpetrator, shall notify in writing their supervisor immediately, and in all cases, no later than five (5) days after such conviction, charge, or placement on the CPS Central Registry. An employee must disclose to the Employer any conviction resulting from such pending charges as described in this Section. However, as required by Federal regulation, employees working with minors must disclose any arrests or charges related to child sexual abuse, child abuse, or child neglect and the disposition of such arrest or charges, and my also be required to certify that no case of child abuse or neglect has been substantiated against them. In every case, employees in positions that work directly with minors or who will have access to minor’s records, shall undergo background checks, and, if they have not resided or lived in Michigan for each of the previous ten (10) years, they must also sign a waiver attesting to the fact that they have not been convicted of a felony or identified as a perpetrator. The Employer may, at its cost, conduct a criminal history search periodically on all employees when required to insure compliance with grants, licensing requirements, and performance standards.

**Section 7. Tests, Exams, Vaccinations, Prophylaxis, Medication, Treatment.** Management has the right to require, where there exists a rational public health reason relating to the position, medical tests, examinations, vaccinations, prophylaxis for a communicable disease, medication and other medical treatment or services to ensure the safety of staff, patients or the community as a whole as determined by the County Health Center Medical Director, Public Health Medical Director or Health Officer.

**ARTICLE 4**

**ASSOCIATION SECURITY AND CHECKOFF**

**Section 1.** The Employer will not discriminate against any employee because the employee voluntarily chooses to be a member of the Association or to otherwise financially support the Association nor will the Employer discriminate against any employee who voluntarily chooses not to be a member of, or not to financially support, the Association.

**Section 2.** Upon completion of thirty (30) days of employment, membership in the Association or compliance with payment of representation fees shall be completely voluntary. If an employee voluntarily elects to submit a check off authorization deduction form, the Employer agrees to deduct Association dues or Association service fees to become effective the second payday of the month.

**Section 3. Open Shop.** The Employer agrees to deduct dues or fees from the salary of each individual employee in the bargaining unit who voluntarily becomes a member of the Association or who voluntarily authorizes the payment of representations fees, the Association’s dues, subject to all of the following conditions:

A. The Association shall obtain from those employees who voluntarily agree to become members or voluntarily agree to remit representation fees a completed authorization form which shall conform to the respective state and federal law(s) concerning that subject, or any interpretation(s) thereof.
B. All checkoff authorization forms shall be filed with the Employer's Human Resources Director, who may return any incomplete or incorrectly completed form to the Association's Treasurer, and no checkoff shall be made until such deficiency is corrected.

C. All employees covered under this Agreement who do not voluntarily choose membership in the Association shall have deducted from their wages a percentage of the membership dues, which sum may be less than one hundred percent (100%) of said dues, upon receipt by the Employer of a signed, written card, and which sum shall accurately represent the amount for said employee due the Association as their fair share of costs attributable to negotiating the terms of this Agreement and servicing the contract, which sum shall not include, by way of example but not by way of limitation, state, national, or other dues and assessments, or other amounts for other Association activities.

D. The Employer shall only checkoff obligations which come due at the time of checkoff, and will make checkoff deductions only if the employee has enough pay due to cover such obligation. If an employee withdraws his/her check-off authorization form, no deduction shall be made commencing the pay-period in which the form was withdrawn. The Employer is not responsible for refund to the employee if he/she has duplicated a checkoff deduction by direct payment to the Association.

E. The Employer's remittance shall be deemed correct if the Association does not give written notice to the Human Resources Director within two (2) calendar weeks after remittance is transmitted of its belief, with reason(s) stated therefore, that the remittance is incorrect.

F. The Association shall provide at least thirty (30) days written notice to the Human Resources Director of the amount of Association dues and/or service fees and/or initiation fee to be deducted from the wages of employees in accordance with this Article. Any changes in the amounts determined will also be provided to the Human Resources Director at least thirty (30) days prior to its implementation. New checkoff authorization forms shall be submitted to the Employer in the event that an increase in the Association dues or service fee is made.

G. The Association agrees to defend, indemnify, and save the Employer harmless against any and all claims, suits, or other forms of liability arising out of its deduction from an employee’s pay of Association dues, service fees, and/or initiation fee, or in reliance upon any list, notice, certification, or authorization furnished under this Article, including the termination of employment as provided under the Agency Shop provision. The Association assumes full responsibility for the disposition of the deductions so made once they have been sent to the Association.
Section 4. Notice of New Hires. The Employer will provide an Association Representative the opportunity to meet with new employees at the weekly orientation session. The Association shall be responsible to provide the necessary information at orientation. The Association's President shall be notified as to all new employees and transferred employees into this bargaining unit.

Section 5. Conditional Reopener. The Parties agree that should the Right to Work legislation be overturned through the courts or modified by the State of Michigan, the parties agree to meet and bargain over amendment of this section of the Collective Bargaining Agreement.

ARTICLE 5

PROFESSIONAL NEGOTIATION PROCEDURE

Section 1. Meetings. The parties will cooperate in arranging meetings, furnishing necessary information, and otherwise constructively considering and resolving any matters of common interest.

Section 2. Representatives. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiation representatives of the other party, and each party may select its representatives from within or outside the area. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the membership of the Association with the approval of the Ingham County Employees' Association, and approval by a majority of the Ingham County Board of Commissioners. The parties mutually pledge that representatives selected by each shall have the necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations, subject only to ratification approval as noted above.

Section 3. Application of Agreement. Any agreements negotiated shall apply to all members of the bargaining unit unless otherwise specified and shall be reduced to writing and signed by the authorized representatives of the Department, the Association, and the Ingham County Board of Commissioners.

Section 4. Negotiations or Special Conferences. The Employer agrees that Association members, engaged during their work shift in negotiations or Special Conferences on behalf of the Association with the Employer, during the term of this Agreement, shall be entitled to reasonable release time as needed without loss of salary. The number of Association members to be present at said meetings or negotiations are hereafter specified.
ARTICLE 6

REPRESENTATION

Section 1. Grievance Representation. Employees in each of the units shall be represented by a steward and alternate steward, respectively. The steward and alternate steward will be a member of the bargaining unit and their selection will be determined by the bargaining unit members. The Employer will recognize the steward and alternate steward as representatives of the Association in the administration of provisions of this Agreement and the grievance procedure. The Association will keep the Employer informed, in writing, of the name of the steward and alternate steward for the unit.

A steward shall act in a representative capacity for the purpose of processing grievances for the employees in his/her unit. In the absence of the employee's steward or alternate steward, a steward or alternate steward from the other unit may be utilized for representation purposes, and if neither of these are available, then other ICEA stewards may be utilized.

Section 2. Negotiating Committee.

PHN Unit. The bargaining committee of the Association's PHN unit will include not more than three (3) bargaining unit members and two (2) alternate bargaining unit members employed by the Employer. It may also include the President of the Ingham County Employees' Association, provided the President is not a member of this unit, and non-employee representative(s) of the Ingham County Employees' Association.

Section 3. Professional Negotiations. Contract negotiation meetings between the parties may be held at times during the scheduled working hours of the Association's negotiating members. Up to two (2) employee members of the bargaining committee for the unit will be paid by the Employer for time spent in negotiation with the Employer, but only for the straight time hours they would otherwise have worked on the regular work schedule. For the purpose of computing overtime, time spent in negotiations shall be considered as hours worked to the extent of the regularly scheduled hours which otherwise would have been worked by the negotiating committee members.

Section 4. Time Off with Pay. Reasonable arrangements will be made to allow stewards time off with pay, with prior permission of their supervisor, during their regular working hours for the purpose of investigating grievances and to attend grievance meetings. Stewards shall have access to office premises for the purpose of investigation and adjusting any complaints and grievances by arranging with the respective division heads to visit such premises during regular working hours, but in no event shall the steward interfere with the maintenance or discipline of the regular work being carried on in the Department. The office premises may be used for grievance interviews. Stewards shall investigate and present the grievances to the Health Officer through the grievance procedure. In the event the steward is absent, an alternate steward may perform his/her
functions, provided they have conformed with the above requirements in notifying the Health Officer, giving him/her reasonable time to adjust for their absences during such periods which they are investigating or processing grievance procedures.

Executive Board members of the Association may have a total of eleven (11) hours per month, not to accumulate, to attend meetings regarding specific grievances of employees covered by this contract, or to confer with the Association's legal counsel, and to conduct other necessary Association business without loss of pay. Prior approval of the Department Head or his/her designee is required before taking such time off. Excluded from the above-stated hours shall be no more than one (1) hour per week for attendance at orientation of new hires by only one (1) designated Association representative. The denial of additional time off by a Department Head or his/her designee shall not be subject to the grievance procedure.

Section 5. Facility Access. Representatives of the Association, after first notifying the Health Officer or his/her designated representative, may visit the areas of the Facility where the registered professional nurses they represent are located for the purpose of representing such nurses in accordance with this Agreement, provided that such visits occur at reasonable intervals during working hours and they do not interfere with the normal operations of the Facility.

Section 6. Correspondence. A copy of all correspondence from the ICEA Attorney or from his/her office, addressed to any elected official, the Health Officer, or Health Department Managers, shall be sent to the County Attorney. A copy of all correspondence from the County Attorney or his/her office addressed to any ICEA Executive Board Member, Officer, or PHN unit steward shall be sent to the ICEA Attorney.

Section 7. County Information. The County Human Resources Director shall forward copies of the County Services Committee Agendas and those portions of the Agenda Packets that relate to the PHN unit to the ICEA. The Health Officer agrees to provide the ICEA with a copy of the Department's annual budget request, as submitted to the County Controller.

ARTICLE 7

GRIEVANCE PROCEDURE

Section 1. Statement of Purpose. The parties intend that the grievance procedure shall serve as a means for the peaceful settlement of disputes as they arise.

The parties seek to secure, at the earliest level possible, equitable solutions to complaints or grievances of nurses or groups of nurses. Both parties agree that proceedings under this Article shall be kept as informal and confidential as may be appropriate.

Section 2. Definitions. "Grievance" shall mean a complaint by a nurse or a group of nurses based upon an event, condition, or circumstance under which a nurse works, allegedly caused by a violation, misinterpretation, or discriminatory application of any
provision of this Agreement. Any grievance filed shall refer to the specific contract provision or provisions alleged to have been violated, and it shall adequately set forth the facts pertaining to the alleged violation. It is the intent of this Section that the nurse or nurses filing a grievance would apprise the Employer of the facts of the grievance.

Section 3. Steps in the Grievance Procedure.

Step 1. An employee with a grievance shall first discuss it with his/her immediate supervisor within eight (8) days of the date of occurrence or the date the employee should have known of the occurrence or the alleged violation. The discussion may also include the Association departmental representative. The immediate supervisor shall furnish an oral answer within five (5) days of the receipt of the grievance.

Step 2. If the answer of the Supervisor received in Step 1 is not satisfactory to the employee, he/she shall, within five (5) days of receipt of the answer in Step 1, submit the grievance in writing to the Health Officer. The written grievance shall be dated and signed by the grieving employee or employees. However, in the case of a group grievance, the grievance may be signed by the Union Steward and at least one (1) affected employee. The employee may furnish a copy of the grievance to the Union. A copy of the answer shall be furnished to the Union departmental representative. The Health Officer shall give a written answer within five (5) days of receipt of the grievance.

Step 3. If the answer of the Health Officer received in Step 2 is not satisfactory to the employee, the Union departmental representative, within five (5) days thereafter, shall submit notice of appeal to the Human Resources Director.

Step 3A. The Human Resources Director, Health Officer, affected employee, and Union representative shall meet within seven (7) work days after the submission of the grievance under Step 3. The Human Resources Director shall give a written answer within five (5) work days following the meeting. If this answer is not satisfactory to the employee or the Health Officer, it shall be submitted within five (5) work days after receipt of the answer to Step 4.

Step 4. The County Services Committee shall meet to discuss the grievance at the next regularly-scheduled committee meeting, provided that said grievance is received by the Human Resources Director in writing at least five (5) work days prior to the next meeting. The County Human Resources Director shall notify the Union and the aggrieved employee in writing at least four (4) days prior to the meeting. At this meeting, the County Services Committee will review the facts as they relate to the interpretation and application of this Agreement. The County Services Committee shall reply with its decision, in writing, no later than five (5) days following said meeting. If the decision of the County Services Committee is unsatisfactory to the Union, said dispute may be submitted within fifteen (15) days for arbitration in accordance with the procedures and rules of the American Arbitration Association.
Step 5. Arbitration.

1. **Appeal to the Arbitrator.** Any grievance which is not resolved at Step 4 of the grievance procedure may be submitted to arbitration, if the case is the type on which an arbitrator is empowered to rule. Arbitration shall be invoked by written notice to the Employer or the Association provided said written notice is submitted within fifteen (15) days after receipt of the answer in Step 4.

2. **Selection of the Arbitrator.** If a timely request for arbitration is filed by the Union, the parties to this Agreement may select, by mutual agreement of the parties, one (1) arbitrator who shall decide the matter. In the event the Employer and the Union are unable to agree on an impartial arbitrator, the arbitrator will be selected from a list of arbitrators submitted by FMCS consistent with its normal procedures. All arbitration proceedings will be conducted in accordance with the rules and procedures of FMCS.

For grievances involving discharge, layoff, or other issues mutually agreed upon, an arbitrator shall be deemed unavailable under this Section if the arbitrator cannot schedule a hearing within sixty (60) days upon being notified; and as to all other issues, when the arbitrator cannot schedule a hearing within one hundred eighty (180) days from notification. These limitations may be waived by written mutual agreement of the parties.

If the employee fails to elect the remedy, the grievance shall not be processed. This shall also apply to veteran's preference hearings, Michigan or federal wage and hour statutory remedies, or court actions litigating the same issues. In the event the Association representative is present when the discipline is imposed, a brief explanation need not be supplied. It is the intent of the parties hereto that the supplying of a brief explanation and not the details for the discipline imposed is to adhere to the disciplined employee's desire not to communicate the reasons thereof.

Employees shall be notified that they are under investigation for potential discipline within fifteen (15) work days from the time the incident/issue first becomes known to the Employer, and the discipline shall be imposed within four (4) weeks from the time the incident/issue first becomes known to the Employer or the discipline will not be binding upon the Union or the employee, excepting, however, (1) if there is a criminal investigation and the Prosecutor and/or police agency determines that notice to the employee(s) would
be detrimental to the investigation; and/or (2) if a witness, party or supervisor is unavailable (e.g. vacation, FMLA, workman's compensation, etc.) during the investigation, the time to respond shall be extended by the same duration that the person(s) is unavailable. If the Employer needs an extension, a request will be made in writing to the Union official that has represented the employee including a valid reason and the time limit will be extended for up to an additional four (4) weeks. The time limits will also be extended for the time subject employee is off work on paid or unpaid leave during the investigation time period. The time limits shall be waived if the incident/issue involves a criminal investigation, and the criminal matter remains unresolved.

A. Proration. The accrual rates in Section 1 of this Article are based upon a full-time employee being on the active payroll and compensated for all of the payroll period. Being on the active payroll and compensated means receiving wages or on paid leave, such as paid sick leave, holidays, vacation, compensatory leave, county paid military leave, or paid union leave. An employee shall not be considered on the active payroll and being compensated when they are on unpaid leaves, workers' compensation, disability leave, unpaid FMLA, or layoff. Accruals provided for part-time employees shall be prorated if the part-time employee is on the active payroll and compensated less than forty (40) hours in a payroll. Proration under this
Section will be calculated based on the ratio of time compensated versus the applicable normal full payroll amount (80, 60, or 40 hours).

This Section shall be effective the later of July 1, 2009, or the same payroll period when this proration system is implemented for the ICEA County and Court Professional bargaining units, the OPEIU Family bargaining unit, and the non-union managerial and confidential employees.

Payment of Vacation Hours.** Vacation hours earned in accordance with the provisions of this Article will be paid to employees who have completed six (6) months of continuous regular County service upon their retirement, or upon resignation if two-weeks prior written notice is given to the Department by the employee.

**Section 9. Vacation Bonus Hours.** Effective in December of each calendar year during the term of this Agreement, each full-time employee will be credited with twenty-eight (28) hours of vacation bonus to be used during the following calendar year. Any portion of the vacation bonus hours not taken by the end of the last pay period of the calendar year will be lost. This vacation bonus will not accumulate nor will it be paid upon termination. Employees (other than an employee who retires and is immediately eligible for retirement benefits) who do not remain employed for all 12 months in any year shall have any vacation bonus paid deducted from their last paycheck, pro-rata based upon the total number of months worked.

**Section 10. Health Care Cost Coalition.** The Employer and the Association recognize the rapidly escalating health care costs, including the cost of medically unnecessary services and inappropriate treatment, have a detrimental impact on the health benefit program. The parties hereby establish a joint coalition for the purpose of investigating health care cost containment issues which shall continue during the term of
this Agreement, including medical, dental and optical insurance; health insurance waivers; and health flexible benefit programs, health savings account plans, and similar programs. The Coalition shall be subject to the following provisions:

C. The Coalition shall meet at the mutually agreed upon times agreed to by the Employer and the bargaining unit Coalition representatives. Minutes of each meeting shall be taken.

D. Any tentatively agreed healthcare plan changes by the Coalition will be presented to the Employer and each bargaining unit for ratification pursuant to each party's normal ratification procedure.

Section 11. The Employer and the Association agree to negotiate on the addition of alternate health plans should the Employer so request of the Association. However, such plans cannot be implemented without the mutual agreement of the parties.

In the event health insurance cost containment measures are identified following the date of ratification of this agreement, then the bargaining unit agrees to negotiate those measures so identified in good faith.

Section 12. It is the intent of the parties to this Agreement to implement the recommendations of the Ingham County Health Care Coalition for the 2018 health care options as approved by the Ingham County Board of Commissioners in Resolution #17-404, including maintenance of the HRA plan, the comprehensive healthcare management program, and the use of the previous year's savings from the self-insured portion of the plan as a one-time reduction in the 2018 employee premium cost share. It is the intent of the parties to this Agreement to continue the recommendations of the Ingham County Health Care Coalition for the 2015 in Resolution #14-436 of the 50% of any net savings in health care costs to reduce employee premium cost share beginning in 2016, being applied to all employee groups that agree to implement the comprehensive healthcare management program.

For employees hired on or after March 18, 2013, the Employer shall offer a MERS Hybrid Plan. The Plan will consist of a Defined Benefit (DB) component with a 1.25% Benefit Multiplier and a Defined Contribution (DC) component. The County and the Employee will contribute to the Defined Contribution (DC) component of the Plan. The County and the Employee contributions shall be a minimum of 1% of the Employee’s payroll, and the Employer will match the Employee’s contribution up to 1.0% of payroll for the cost of the Defined Contribution (DC) component of the Plan. Employees will be allowed to make additional contributions as allowed under the Plan, MERS regulations, and any applicable laws. Employees will be 100% vested for Employer contributions to the DC component of the Plan after five (5) years of service, and the DB component of the Plan after six (6) years of service. Further, there shall be a requirement to coordinate with other available health insurances, Medicare, Medicaid, Federal Insurance, or any other health insurance which may be available in part or in total to the retired employee. All questions of eligibility shall be determined by the regulations and rules established by the carrier providing such coverage.

Upon proper determination of disability by the carrier due to a non-work related illness or injury, the County will provide fifty percent (50%) of the employee’s gross salary to a maximum of Three Hundred Dollars ($300) per week for a maximum of one hundred four (104) weeks. To be eligible for disability insurance, the employee must apply for such insurance when first eligible and not later than 180 days after the injury occurrence. Failure to
apply within 180 days after the injury/occurrence may result in an employee being determined to be ineligible under the terms of the plan.

B. The short-term disability plan shall not commence until the completion of a ninety (90) calendar day waiting period.

Effective July 1, 1997, the disability payment shall not commence until the completion of twelve (12) calendar weeks elimination period after sustaining a non-work related illness or injury.

C. The employee may use sick time accumulations during the ninety (90) calendar day waiting period and also may use vacation and compensatory time accumulations. If the employee's total accumulations exceed ninety (90) calendar days, the short-term disability coverage may commence at the beginning of the week following exhaustion of their accumulations.

Effective July 1, 1997, the employee may use sick time accumulations during the twelve (12) weeks elimination period and also may use vacation and compensatory time accumulations. If the employee's total accumulations exceed twelve (12) calendar weeks, the short-term disability coverage may commence at the beginning of the week following exhaustion of their accumulations.

D. Seniority shall accrue while an employee is on disability. Disability requirements will be determined by the carrier. Employees on disability can pay group rates for up to a maximum of fifty-two (52) weeks.

E. Disability insurance is to be studied by the Health Care Coalition. A PHN will become a member of that Committee.

Section 11. Annual Cash-Out Option. Upon execution of a written option, an eligible employee shall be paid for one-half (1/2) of the balance of the sick leave credit earned but unused during the twelve (12) month period at the base rate of compensation in place during June of the contract year, to a maximum of forty (40) hours. The twelve (12) month period shall begin with the second payroll period of May and run through the 1st payroll period of the following May of each succeeding year. The remainder of the employee’s sick leave balance shall accumulate as set forth in Section 2 of this Article. The payment request shall be submitted on the designated form no later than May 15 of the contract year and payment therefore shall be received no later than June 15 of that year. In the first year of the transition from the December pay date to the June pay date, employees will be offered the opportunity to cash-out one-half (1/2) of the balance of sick leave credit earned but unused during the six (6) month period between the second pay period of November 2017 and the first pay period in May 2018 for payment by June 15th 2018, not to exceed 20 hours. Upon notice of retirement during the first year of the transition, the retiring employee may receive an additional 20 hours of existing sick leave balance at straight time.
Section 12. Sick Time Donation. The County Services Committee of the Board of Commissioners may allow sick time donations, within its discretion. Any decision by the County Services Committee shall not be grievable.

If a request for donating sick time is approved by the County Services Committee, the following procedure will be followed:

A. The maximum time an employee may donate shall be forty (40) hours to no more than three (3) persons in one (1) calendar year. The time donated shall not be calculated as time used pursuant to Article 20, Section 11.

B. The list of donating employees will be arranged in alphabetical order of "a" to "z" and "z" to "a" on an alternating basis for each separate donation.

C. During the period in which the employee is receiving sick leave donations, he/she will not continue to receive sick and/or vacation accumulations.

D. To be eligible to receive sick leave donations, an employee must use all of his/her accumulated vacation, comp time, sick time, and personal leave.

E. Notwithstanding the above, no employee shall be permitted to donate any accumulated sick time unless he/she has ten (10) or more days accumulated.

This Sick Leave Donation policy may be terminated by the County Services Committee, in its discretion, after the expiration of this contract.

Section 13. Medical Dispute. The Health Officer may require a physical or mental exam by a doctor, at the Employer's expense, to determine the employee's ability to perform his/her regular duties, if deemed appropriate. Forty-eight (48) hours prior to a requested mental exam, the President of the Association and the Association's General Counsel shall be notified. The employee may obtain a second opinion at the employee's expense, and in the event that there is a dispute between the Employer's doctor and the employee's doctor, both of these doctors shall select a third doctor, whose decision shall be final and binding on the parties. The expense for the third doctor's opinion shall be split 50/50 by the Employer and the employee if not covered by the employee's insurance.

FUNERAL LEAVE

Section 1. Immediate Family. If a death occurs among a member of an employee's immediate family, the employee will be excused from work up to a maximum of five (5) work days, three (3) of which will be with pay and, if necessary, two (2) additional work days to be charged against earned sick leave. Immediate family is defined as: spouse, children, parents, step-children, step-parent, father-in-law, mother-in-law, brother, and sister, step-sister, step-brother, and grandchildren and an "other qualified adult" who satisfies the requirements of Resolution #08-042.
Section 2. Other Members of an Employee's Family. One (1) work day, the day of the funeral, is allowed in the case of the death of an uncle, aunt, nephew, niece, and two (2) work days for brother-in-law, sister-in-law, daughter-in-law, son-in-law, grandfather, or grandmother, to be charged against earned sick leave. Upon approval of the Department Head, one (1) additional work day may be granted, to be charged against sick leave.

Section 3. Additional Time. Any additional time must be charged against annual leave.

Section 4. Appropriate Verification. The employee may be required by the Department to provide appropriate verification to confirm his/her eligibility under the provisions of this Article.

ARTICLE 22
UNPAID LEAVES OF ABSENCE

Section 1. Medical Disability Leave of Absence.

A. If an employee is medically disabled, including disabilities due to pregnancy, such employee may be allowed a medical disability leave of absence under this Section.

B. To be eligible for a medical disability leave, the employee must first exhaust accumulated sick leave days and must provide medical evidence of disability and/or the Health Officer may require a medical examination to determine the employee's ability to perform his/her regular duties if he/she deems it appropriate. However, employees may be permitted to use their accumulated sick leave in four (4) hour increments in conjunction with a leave of absence provided such use is continuous from the date they commenced such leave and that in no case such use extends beyond ninety (90) calendar days.

C. If an employee is then eligible for such disability for such a medical leave of absence, the employee will be granted a leave during the period of disability for up to ninety (90) calendar days without pay. The medical disability leave may then be extended for one (1) additional period of ninety (90) calendar days upon the employee providing additional proof of medical disability and/or upon medical exam if directed by the Health Officer.

D. Employees shall be entitled to return to their prior positions in the event their return from a leave of absence is within the 90/180 calendar day leave period for which they are granted leave. Should an employee's leave of absence extend beyond the 90/180 calendar day unpaid leave period for which they are granted unpaid leave but is less than twelve (12) calendar months from the commencement of the total leave (inclusive of any paid annual leave and/or paid sick leave period), the employee shall be entitled to return to the next available vacant position for which they are qualified. Upon return from
such a leave to a position other than to the identical position which the employee was employed prior to the leave, the employee will be on probation for a period of ninety (90) days.

Section 2. Child Care Leave. Upon the termination of the medical disability leave arising out of pregnancy, or the terminal illness of an employee's minor child, or upon the adoption by an employee of an infant child under one (1) year of age, an employee may request a ninety (90) day unpaid child care leave. This leave is contingent upon the approval of the Health Officer.

Section 3. Military Leave of Absence. The Health Department abides by the provisions of Federal and State laws with respect to the re-employment rights of an employee, and to the grant of leaves of absence in accordance therewith.

Section 4. Military Reserve Leave of Absence. Upon presentation of official orders requiring military training, a regular full-time County employee who is a member of an armed forces reserve unit or National Guard may be granted a leave of absence of such time as is required to engage in an annual reserve training program. Upon presentation by the employee of appropriate compensation records identifying the dates of and payments made for the training program, the County shall pay the difference between the compensation received for the reserve training and the compensation that would have been received had the employee worked as scheduled, for up to ten (10) working days annually. In the event that the annual reserve training program required for an employee exceeds the ten (10) days specified above, the additional days shall be granted as a leave of absence without pay or charged against the employee's accumulated vacation leave if desired by the employee.

Section 5. Leave for Association Business. A nurse who is elected by the Association for official Association business that will require absence from work shall be granted a leave of absence not to exceed one (1) year, without pay, and without loss of status for the duration of the assignment, provided such leave can be arranged without interference with the work of the Department. Benefits will not accumulate during said leave.

Section 6. Personal Leave. Personal leaves of absence without pay for reasons other than specifically provided elsewhere in this Agreement, but not for the purpose of seeking or securing work elsewhere, may be granted by the Health Officer upon written application by the employee.

A. When a personal leave of absence under this provision is granted for a specific period of not more than ninety (90) days the individual shall be entitled, at the termination of such leave, to be reinstated at the time level and type of position the individual held at the time the leave was granted.

B. When a personal leave is requested for a period of more than ninety (90) days, it shall require the approval of the County Services Committee and, if granted, the employee's position will not automatically be held open for him/her. He/she may be re-employed after return from leave, if and when
employment is available at the same level and type of position and level in the unit at which there may then be an opening.

C. The employee agrees when the leave is granted to keep the Health Department informed of any change in his/her status or conditions that caused the employee to request the leave.

Section 7. Educational Leave. Upon written application, a nurse may be granted a leave of absence without pay to pursue a full-time educational program in nursing or a related field for up to two (2) years without the loss of previously accrued benefits, if approved by the Health Officer and the County Services Committee. The employee shall not accrue benefits while on said leave.

Upon return from an educational leave of absence, the nurse may be re-employed if employment is available, at the same level, rate (subject to contract salary modifications made during the leave), and type of position previously held.

Section 8. Servicemember FMLA. The federal Family and Medical Leave Act (FMLA) now entitles eligible employees to take leave for a covered family member's service in the Armed Forces ("Servicemember FMLA"). This policy supplements the County FMLA policy and provides general notice of employee rights to such leave. Except as mentioned below, an employee's rights and obligations to Servicemember FMLA Leave are governed by our existing FMLA policy.

A. Entitlement to Servicemember FMLA. Servicemember FMLA provides eligible employees unpaid leave for any one (1), or for a combination, of the following reasons:

1. A "qualifying exigency" arising out of a covered family member's active duty or call to active duty in the Armed Forces in support of a contingency plan; and/or

2. To care for a covered family member who has incurred an injury or illness in the line of duty while on active duty in the Armed Forces provided that such injury or illness may render the family member medically unfit to perform duties of the member's office, grade, rank, or rating.

B. Duration of Servicemember FMLA. When leave is due to a "qualifying exigency," an eligible employee may take up to twelve (12) workweeks of leave during any twelve (12) month period. When leave is to care for an injured or ill Servicemember, an eligible employee may take up to twenty-six (26) workweeks of leave during a single twelve (12) month period to care for the servicemember. Leave to care for an injured or ill servicemember, when combined with other FMLA-qualifying leave, may not exceed twenty-six (26) weeks in a single twelve (12) month period.

Servicemember FMLA runs concurrent with other leave entitlements provided under federal, state, and local law.
Section 9. Seniority and Fringe Benefits. Vacations, sick leave, and other fringe benefits which have been earned prior to the leave will be retained, but such benefits will not accumulate during leaves of absence. Seniority will continue to accumulate while an employee is on an authorized leave of absence up to a maximum accumulation during such leave period of either one (1) year, or an amount equal to the employee's seniority with the County upon the commencement of such leave, whichever time period is less.

ARTICLE 23

INSURANCE

Section 1. Life Insurance.

A. Full-time employees shall be eligible for life insurance coverage in the amount of $40,000, including double indemnity for accidental death.

B. Employees shall have the option to purchase, at their expense, through payroll deduction, additional life insurance coverage in amounts and for the costs as allowable and determined by the insurance carrier.

C. Life insurance and Accidental Death and Dismemberment benefits will be reduced, pursuant to the terms of the policy, at the age of 65 on a graduated basis.

Section 2. Part-Time Employees.

A. Permanent part-time employees shall be eligible for life insurance coverage in the amount of $20,000, including double indemnity for accidental death.

C. Life insurance and Accidental Death and Dismemberment benefits will be reduced, pursuant to the terms of the policy, at the age of 65 on a graduated basis.

Section 3. Professional Liability Insurance. The Employer shall maintain the current level of professional liability insurance for the employees, which shall cover said employees during the course of their official duties. The Employer shall determine what type and amount of coverage it will afford to its employees. The Employer shall provide the Union with notice of any changes in current coverage.

Section 4. Workers' Compensation.

A. Pursuant to Michigan law, the County provides, at its sole expense, workers' compensation coverage for each employee covered by this Agreement.
B. Use of Accumulated Sick Leave When on Workers' Compensation. Employees in the bargaining unit are permitted to use accumulated sick leave while on workers' compensation as provided below:

1. The maximum time an employee may use accumulated sick leave while on workers' compensation is twelve (12) weeks.

2. Employees shall not accumulate sick leave or vacation time while off work on workers' compensation. All other fringe benefits shall terminate after an employee is off on workers' compensation for ninety (90) days.

3. Employees who have accumulated one hundred sixty (160) hours of sick leave and up to four hundred (400) hours are permitted to use their accumulated sick time as a supplement to workers' compensation so that they will receive approximately eighty percent (80%) of their normal straight time pay.

4. Employees who have one hundred fifty-nine (159) hours of accumulated sick leave or less shall not be entitled to utilize this Section.

5. Employees who have accumulated sick leave of four hundred one (401) hours or more may use their accumulated sick leave so as to receive one hundred percent (100%) of their normal straight time pay.

6. The eighty percent (80%) and one hundred percent (100%) wages noted above shall be gross wages minus normal tax deductions and other deductions.

EXAMPLE: If an employee's gross paycheck is One Hundred Fifty Dollars ($150) and their net paycheck is One Hundred Dollars ($100), and workers' compensation payments are Sixty Dollars ($60), the County's obligation is to pay Twenty Dollars ($20), provided the employee meets the above requirements.

ARTICLE 24

I.R.S. SECTION 125

Section 1. I.R.S. Section 125. The Employer will provide, upon the first open enrollment following ratification of this Agreement, I.R.S. Section 125 document(s) allowing employees who choose to participate, the ability to pay for employee contributions with pre-tax dollars for the following:

1. Medical and hospitalization expenses.
2. Dependent care programs.

3. Employee payroll deductions for health care premiums.

The above requirement is subject to, and contingent upon, CPA's verification that the same is permissible and will not jeopardize County tax deductions and is authorized by the I.R.S.

ARTICLE 25

LAYOFF AND RESIGNATION

Section 1. Notice. At least two (2) calendar weeks prior written notice of termination of employment shall be given to the Employer by an employee.

Section 2. Grant Positions. Many of the positions of employment covered by this Agreement are funded by either a Federal Grant, reimbursement by the State of Michigan, or a special fund with the Health Department budget. In the event that the funds being currently provided are terminated, all the positions funded by that source would be eliminated and layoffs will occur as provided in Section 4 below. Laid off grant employees may exercise contract bumping rights as provided in this Article. However, employees may not bump into a grant position unless they meet all grant requirements. The ICEA will be notified in writing prior to any termination or layoff.

Section 3. Hour Reductions. Within the sole discretion of the County, it may reduce the number of hours to be worked by the employees covered hereunder if the same is necessitated by a reduction of available funds in lieu of laying employees off. However, if the reduction is in excess of ten (10) days, the affected employees shall have the option of exercising their bumping rights under Article 25.

Section 4. Layoff and Recall.

Public Health Nurse Unit. The following subsections apply to layoff and recall in the PHN Unit:

A. In the event that a reduction in personnel and/or position is necessary, as determined by the Ingham County Board of Commissioners, layoffs will be by classification according to employee's seniority. Employees with identical seniority dates will be laid off in order to numerical value of their social security number, a higher number having the greater seniority. Seniority for purposes of the initial layoff is defined as length of service the employee has in the classification being reduced.

B. Bumping.

1. An employee laid off under Section 4.A of this Article may, in lieu of layoff, bump an employee within a lower salary grade.
within the same bargaining unit under the conditions set forth under this Article, provided he/she is qualified for the position being sought, as determined by the Department, and that they notify the Department, in writing, of their intent to exercise such bumping rights within three (3) days of receipt of their layoff notice.

2. Laid off employees may bump the least senior employee with less seniority within the bargaining unit within a lower classification with the same or lower status (i.e. full-time, part-time, special part-time). Employees bumping into a lower classification shall be placed at the same step in the new position as they held in their previous position.

C. Recall.

1. When an opening occurs or when a new position is created in a classification from which employees have been laid off, or bumped, such laid off or bumped employees will be recalled to the classification in the order of their seniority, as defined in Section 5.

2. When an opening occurs in a different classification, or when a new position is created, in the same salary grade, or in a lower salary grade, in the Department, laid off employees within the bargaining unit may be recalled in order of their seniority, as defined in Section 5, provided they are qualified to perform the work, as determined by the Employer. All employees that are recalled into a different classification from which the employee was laid off, shall serve a four (4) week probationary period during which the Employer shall determine, in its sole discretion, the employee's ability to perform in the classification or position that the employee is recalled to. In the event an employee is determined by the Employer to not be satisfactorily performing within such classification or position, the employee shall then be returned to layoff status. The Employer's decision as to performance during this probationary period shall be final and shall not be subject to the grievance procedure.

3. Any laid off employee failing to report for work within five (5) working days of the mailing of notice from the Department to her/his last known address, by certified mail, as recorded in the Employer's files, or by such other later date specified in the notice, shall lose her/his seniority and be considered to have voluntarily resigned their employment.

4. Employees on layoff shall notify the Personnel Department of their current address and/or whereabouts within seventy-two
Section 5. Seniority for Layoff and Bumping.

A. Public Health Nurse Unit. The following subsection applies to seniority for layoff, recall, and bumping in the Public Health Nurse Unit:

Seniority, for the purpose of bumping to a different classification within the Public Health Nurse Unit, or for recall, is defined as an employee's continuous length of service in any classification(s) or Department(s) with Ingham County or any Ingham County Courts and within any represented or non-represented unit. Seniority for the initial layoff or bumping in the same classification shall be defined as an employee's time in that classification.

B. Unused sick leave which was earned prior to the layoff will be retained. Unused vacation which was earned prior to the layoff may be either paid to the employee in a lump sum upon layoff or, at the employee's option, may be used prior to receipt of unemployment. Vacations, sick leave, and other fringe benefits will not accumulate while an employee is on layoff up to a maximum period of either thirty (30) months, or a time period equal to the employee's seniority with the County upon commencement of such layoff, which ever time period is less; and thereafter, seniority shall be lost.

Section 6. Notice of Layoff and Recall.

A. The laid off employee and the Union President shall be given at least fifteen (15) working days' prior notice of the layoff. Notice will be given to the employee in writing or sent by certified mail to the employee's last known address in the personnel file. The requirements in this Section 6, A, shall not apply to employees being laid off due to being bumped. The Union President shall be given copies of recall notices at the same time that the notice is mailed to the employee.

B. A bumped employee shall have the same rights as the laid off employee and, seniority permitting, may bump a less senior employee as provided in this Article. Bumped employees must be given at least two and one-half (2 and 1/2) working days' notification that they shall be laid off through the bumping process prior to such layoff.

Section 7. Voluntary Layoffs. When faced with a layoff, the Employer may, prior to the enactment of the above provisions, solicit voluntary layoffs by seniority from members of the bargaining unit. In requesting such volunteers, the Employer shall state, with certainty at the time of solicitation, the length of such layoff. If an employee should volunteer for such layoff for the time specified by the Employer, and the layoffs should
extend beyond the time period so specified, the employee(s) in question shall be recalled and, if necessary, layoff activities will proceed in the manner outlined above in this Article.

**Section 8. Bumping Limitations.** Full-time employees may bump less senior part-time employees, but part-time employees may not bump full-time employees. Further, employees cannot bump into a position that requires special training or qualifications unless they have the special training or qualifications.

The foregoing bumping procedure shall not be applicable to cases of temporary layoffs that do not exceed ten (10) working days.

**ARTICLE 26**

**EDUCATIONAL REIMBURSEMENT**

**Section 1. Reimbursement Policy.** The purpose of this policy is to establish a written, uniform policy and procedure throughout the County to handle requests for reimbursement for tuition, books, and related supplies. Ingham County has long maintained a tuition refund plan to allow eligible, interested employees financial support in encouraging them to participate in furthering their education outside of work hours. The County will reimburse an employee for tuition costs and other charges, subject to the availability of funds within the Department's budget. In order for an employee to be eligible for reimbursement, he/she must receive prior written approval from the Health Officer; take an eligible course(s) at a recognized school; and follow the application process that is outlined below. Part-time employees shall be eligible for fifty percent (50%) educational reimbursement.

**Section 2. Procedure.**

A. The employee must complete the Tuition Reimbursement Request Form and secure approval from the Health Officer and Human Resources Director **PRIOR** to taking a course. It is recommended that the employee confer with the Health Officer regarding his/her educational plan. In order for a course to be eligible, the course must be taken at an approved school. The course must also be related to the employee's present position in the County or is a required course leading to a degree related to the employee's present position.

B. **AFTER** the employee completes the course, he/she must complete the bottom half of the Tuition Reimbursement Request Form and have the Health Officer and the Human Resources Director approve payment. The reimbursement shall be limited to registration fees, tuition, and laboratory fees and books. Reimbursement requests must be supported by proof of completion with a passing mark and an itemized paid receipt. Under no circumstance will the County reimburse an employee for tuition paid by veterans' benefits, scholarships, student or other grant programs. The County's maximum reimbursement in those cases will be limited to the difference between the total cost and the amount reimbursed from other sources. The completed Tuition Reimbursement Request Form must be
signed by the Health Officer and Human Resources Director and forwarded to the Financial Services Department for payment.

C. In the event the Human Resources Director does not approve the payment for courses taken or rejects payment for any reason, the employee may appeal his/her decision to the County Services Committee.

D. This policy shall not effect or supersede previously approved policies with respect to the CETA program or other grant programs.

ARTICLE 27

JURY DUTY

Section 1. Notification. A nurse who is called for jury duty shall notify his/her immediate supervisor immediately upon receiving notice of such call.

Section 2. Pay Supplement. If a nurse serves on jury duty during days when he/she would normally be scheduled to work, the Employer will provide a jury duty pay supplement to make up the difference between the jury duty payment and his/her normal pay upon his/her presentation of a written statement of his/her jury duty earnings from a proper court official.

Section 3. Time Worked. Jury duty shall be considered as time worked.

Section 4. Other Judicial Proceedings. If a nurse is subpoenaed as a witness in a judicial proceeding for reasons arising out of his/her facility employment, he/she shall receive leave with pay for such attendance if it arises during a period when he/she is scheduled for work, less witness fees paid by the Court.

ARTICLE 28

PROFESSIONAL MEETINGS

Section 1. Attendance Encouraged. The Employer will encourage attendance by nurses at professional meetings of professional associations or institutions, where attendance is likely to increase the competency of a nurse in his/her professional capacity.

Section 2. Requests. Nurses desiring to attend professional meetings shall submit prior requests to their immediate supervisor for his/her approval.

Section 3. Time Off. Nurses may be given time off, without loss of pay, to attend such professional meetings, and may, at the Employer's option, also be reimbursed for out-of-pocket expenses incurred in such attendance. Attendance at district, State, or national nurses association conferences and/or conventions may be granted pursuant to this Section.
ARTICLE 29

PROFESSIONAL TRAINING

Section 1. Training. The Employer supports the philosophy of continuing staff development and in-service training. In doing so, the Employer agrees to provide a continuing training program. The frequency and content of the training will be determined solely by the Department. Nurses are encouraged to make recommendations of training they feel would be beneficial in increasing their individual competence and work performance. Any such recommendations shall be considered by the Department before instituting such training.

Section 2. Training Pay. Nurses may attend the training sessions without pay. Those nurses required by the Employer to attend will be paid for such time as worked. Nurses that receive prior approval for compensation from the Department will be paid for training sessions that would otherwise be scheduled work hours. For any employee who attends a non-mandatory conference, training or workshop, etc., and who is voluntarily no longer employed by the County within six months of attending such conference, etc., the employee shall repay the County the costs paid by the County attributable to the conference, etc., by payroll deduction. The nurse will be provided with a listing of all of the costs and sign an acknowledgment form prior to attendance. Such compensated time will not be considered to be in excess of the intent of the nineteen (19) hour weekly concept of special part-time employment.

Section 3. Specialized Training Requests. Requests for specialized training shall be submitted in writing to the employee's supervisor. Copies of such requests shall be provided to the Union Steward.

Section 4. Compliance with Departmental Policy and Procedure. The Ingham County Health Department is required to comply with various rules and regulations. These include but are not limited to Clinical Laboratory Improvement Amendments (CLIA) regulations, Occupational Safety and Health Administration (OSHA), Michigan Occupational Safety and Health Administration (MIOSHA), American Recovery and Reinvestment Act of 2009 (ARRA), Health Information Technology for Economic and Clinical Health Act (HITECH) and Health Insurance Portability and Accountability Act (HIPAA). Therefore, all staff will participate in any and all educational sessions, proficiency testing or other training sessions during work time and all necessary costs shall be paid by the Employer determined to be necessary by the Employer, CEO for Community Health Services, Deputy Health Officer, CHC Medical Director, Public Health Medical Director or Health Officer. This does not include required credit or continuing education necessary to maintain licensure.
ARTICLE 30

WITHHOLDING OF PROFESSIONAL SERVICES

Section 1. Patients. It is recognized that the needs for care and proper treatment of patients are of paramount importance and that there should be no interference with such care and treatment.

Section 2. No Strike. Adequate procedures exist under this Agreement for the equitable settlement of grievances. The Association and the members of the bargaining unit under this Agreement will not engage in or encourage any strike, sit-down, stay-in, slow-down, failure to report for duty, observance of picket line, willful absence from position, or other similar action which would interfere with the treatment and welfare of the patients.

Section 3. Disciplinary Action. The Employer shall have the right to discipline or discharge any employee participating in any of the above stated interferences, and the Association agrees not to oppose such action. It is understood, however, that the Association shall have recourse through the grievance procedure as to matters of fact in the alleged actions of such employees.

Section 4. No Lockout. The Employer will not lock out any employees during the term of this Agreement.

ARTICLE 31

NONDISCRIMINATION

Section 1. Employer's Pledge. The Employer, while engaging in hiring, promoting, advancing, or assigning to jobs, or any other term or condition of employment agrees not to discriminate because of race, height, weight, age, color, national origin, religious affiliation, sex, sexual orientation, marital status, membership or activity on behalf of the Association, or participation in the grievance procedure.

Section 2. Association's Pledge. The Association agrees that, with regard to membership, representation or Association activity, it will not discriminate for any of the reasons set forth above.

Section 3. Gender. References to the feminine gender may refer to the masculine gender or vice versa.

Section 4. Nothing in this Agreement shall be construed to limit the Employers' ability to comply with State or Federal civil rights requirements, including compliance with any accommodations requirements under the Michigan Persons With Disabilities Civil Rights Act or the Americans With Disabilities Civil Rights Act; and/or any State or Federal judicial or administrative orders directing compliance with an applicable State or Federal civil rights law or regulation.
ARTICLE 32

HEALTH AND SAFETY

Section 1. Health and Safety Committee. The Employer and the Union agree to establish a Health and Safety Committee consisting of two (2) employees of the bargaining unit and two (2) representatives of the Employer. Any alleged health or safety problem shall be directed to the committee in writing. The recommendation of the majority vote of the committee shall be final and binding upon the Employer and the Union. However, if the parties cannot reach a majority decision, it shall not be subject to any grievance procedure provided for herein, but may be subject to State and Federal statutes.

ARTICLE 33

VALIDITY OF AGREEMENT

Section 1. Holding of Invalidity. If any Article or Section of this Agreement should be held invalid by a Court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby. In such event, the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for such Article, Section, or provision held invalid.

Section 2. Catch Line Not Part of Section. The catch line heading of any Section of the Agreement that follows the Section number shall in no way be deemed to be a part of the Section of the Agreement, or be used to construe the Section more broadly or narrowly than the text of the Section would indicate, but shall be deemed to be inserted for purposes of convenience to persons using the Agreement.

ARTICLE 34

USE OF FACILITIES

Section 1. Use of Facilities. The Association may use available rooms at the Facility for Association meetings for the unit's employees with the prior consent of the Employer.

Section 2. Bulletin Boards. ARTICLE 35

SALARY SCHEDULE

Section 1. Basis for Rate of Pay. The rate of pay for employees covered by this Agreement is based on full-time employment for the positions in that classification. Said rates are set forth in the Salary Schedule of this Agreement.

Section 2. Original Appointments. Original appointments to any position shall be made at the entrance rate of the classification, except that when deemed appropriate by the County, nurses who have nursing experience may receive credit for that experience when beginning employment as provided in Article 10, Section 2. It is within the sole discretion of the Employer to determine if credit will be given for experience. This determination shall take into consideration the recommendation of the applicable supervisor. Employees in the PHN Unit hired that have not received a Bachelor's Degree in nursing from an accredited university shall be paid ten percent (10%) less than indicated on the appropriate levels of the salary schedule, provided however, if such employees receive such a degree they shall thereafter be paid at the full rates as reflected on the scale.

Section 3. New Employees. New employees who start at the starting salary shall advance to the next step of their salary grade at the beginning of the payroll period following their successful completion of one (1) year of continuous regular employment. Further advancement within the salary structure shall be by successive steps effective the payroll period following the employee's anniversary date of continuous County service. Employees starting above the starting step shall receive further advancement within the salary structure by successive steps effective the payroll period following the employee's anniversary date of continuous County services covered by this Agreement.

Section 4. Educational Bonus. An employee who successfully completes a Master's Degree Program in Public Health or Nursing through an accredited university will receive a one-step increase on the existing salary schedule. This Section shall not apply to positions for which a Master's Degree or being Master's Prepared is a required job qualification.

Section 5. Merit Increases. Merit increases may be recommended by the Health Officer and submitted to the County Services Committee for approval under such policies and procedures as may be established by the Board of Commissioners.

Section 6. Salary Schedules. The Salary Schedule reflects a 1% increase effective January 1, 2018 for all pay grades. 0% increase in year two for all pay grades with the option for re-opener as set forth in Article 40 and a 0% increase in year three for all pay grades with the option for re-opener as set forth in Article 40.
Section 7. Promotions and Reclassifications.

A. Current annual wage is defined as the salary paid to the employee on the date immediately prior to the date of reclassification or promotion.

B. Employees who are reclassified or promoted within their career field to a new or different pay grade shall receive an increase of a minimum of five percent (5%) to a maximum of ten percent (10%) more than the above-stated current annual wage, except in the event that Step 1 of the new salary grade is ten percent (10%) above the current annual wage said employee shall be placed in Step 1 of the new salary grade.

C. If there is no step in the new salary grade that is between five and ten percent (5% - 10%) higher than the current annual wage, said employee shall receive an annual salary increase of seven and one-half percent (7.5%) which shall be effective the first full pay period following promotion or reclassification. On said employee's next anniversary date [which is one (1) year following the effective date of reclassification or promotion] he/she shall be eligible to advance to the next step on the salary scale which is larger than said employee's salary at that time.

D. In the event that an employee would receive less money as a result of reclassification or promotion than he/she would have received over the next calendar year if he/she had not been reclassified or promoted, then the Union Legal Counsel and Employer shall meet to resolve same.

E. In no event shall the new salary exceed the maximum of the salary grade.

F. Employees who are not promoted within their career field, but who go on to a different career field, shall be compensated as specified in Section 2 of this Article. In the event there is a dispute regarding whether or not the change is or is not within one's career field, the Employer and the Union Legal Counsel shall meet to resolve same.

Section 8. Integration of the PHN1 and PHN2 Classifications. Effective July 1, 2009, the Public Health Nurse 1 and Public Health Nurse 2 classifications shall be integrated into a standard "Public Health Nurse" classification. Upon integration, the Public
Health Nurse classification shall be compensated at salary grade 3. On July 1, 2009, unit members who had been classified at the Public Health Nurse 1 classification will commence at salary grade 3 but shall begin two (2) steps lower than the step held on June 30, 2009. Unit members who had been classified in the former Public Health Nurse 1 classification shall, on or after July 1, 2009, be eligible for step increases on the unit member’s anniversary date. In addition, due to the increased productivity and revenue projected to result from this integration, one current 1.0 FTE Public Health Nurse will be reduced to a .75 FTE Public Health Nurse.

Section 9. Overpayments. Any overpayment of compensation that is not disputed by the employee shall be repaid through payroll deduction. The Employer and employee shall attempt to negotiate a repayment schedule. If the parties are unable to agree on a repayment schedule, the Employer may deduct up to five percent (5%) of an employee's gross bi-weekly pay.

ARTICLE 36
PAST PRACTICES

Section 1. Past Practices. There are no agreements which are binding on any of the parties other than the written provisions contained in this Agreement. No further agreement shall be binding on any of the parties until it has been put in writing and signed by the parties to be bound.

Past practices established by the Personnel Department and the Union shall be continued.

ARTICLE 37
SERVICE/SENIORITY

Section 1. Definition.

A. "Service," for economic and fringe benefit purposes, shall mean the status attained by continuous length of service as an employee in any classification or Department with Ingham County or any Ingham County Courts and within any represented or non-represented unit. Continuous service is defined as that time actually spent on the active payroll of the County of Ingham or any Ingham County Courts plus approved leaves of absences. Absences or leave without pay in excess of ten (10) days, shall be deducted in computed total service, but shall not serve to interrupt continuous service.

B. "Seniority" for purposes of this initial decision for layoff is defined as length of continuous service the employee has in the classification being reduced. Seniority, for the purpose of bumping to a different classification, or for recall, is defined as an employee’s continuous length of service in any classification(s) Department(s) with Ingham County or any Ingham County Courts and within any represented or non-represented unit.
C. Seniority for all other purposes shall mean continuous length of service as an employee in any classification(s) or Department(s) with Ingham County or any Ingham County Courts and within any represented or non-represented unit. The application of seniority shall be as applied to the terms and conditions contained in this Agreement. Employees who are hired on the same date shall be placed on the seniority list as determined by adding up all of the numbers of the employee's social security number, the highest having the greater seniority. Each number shall be considered as a single number.

D. "Anniversary date" is the date used to determine length of employment within a specific classification. An employee is assigned an anniversary date upon a promotion or reclassification. Anniversary date is used if an employee is reclassified or promoted to determine the date for subsequent step increases.

E. "Date of hire" for purposes of step increases only, shall mean the date an employee commences in a full or part-time position in a classification under this Agreement. The use of "date of hire" is not used for reclassification or promotion purposes regarding step increases.

Section 2. Seniority List. The Employer shall prepare and maintain a seniority list which shall list the name, classification, anniversary date, and seniority date of each employee. The Employer shall submit the seniority list to the Association Treasurer and Association General Counsel on a quarterly basis.

Section 3. Loss of Seniority/Employment. An employee shall lose his/her seniority and job for any of the following reasons:

A. He/she voluntarily resigns;
B. He/she is discharged for just cause and not reinstated;
C. He/she retires;
D. He/she is laid off for a period greater than their seniority or thirty (30) months, whichever is less;
E. He/she is absent from work for three (3) consecutive working days without notification to the Employer and without acceptable excuse for not notifying the Employer;
F. He/she fails to return to work upon recall from layoff;
G. He/she fails to return to work after expiration of leave of absence; and
H. He/she makes an intentionally false statement on his/her employment application or on an application for leave of absence or any other employment record or form.

ARTICLE 38
JOB DESCRIPTIONS

Section 1. Job Descriptions. The County will provide the Union with a copy of the new or changed job description(s) for employees covered under this Agreement.

ARTICLE 39
