PREAMBLE

THIS AGREEMENT is entered into this ___ day of ________, 2018, between the COUNTY OF INGHAM, a municipal body corporate of the State of Michigan, (hereinafter referred to as the “EMPLOYER”), and the INTERNATIONAL BROTHERHOOD OF TEAMSTERS, CHAUFFEURS AND WAREHOUSEMEN, LOCAL No. 243 (hereinafter referred to as the “UNION”).

THIS AGREEMENT shall remain in force and effect commencing the 1st day of January, 2018, through the 31st day of December, 2020.

ARTICLE 1
MANAGEMENT RIGHTS

The EMPLOYER, on its own behalf and on behalf of its electors, hereby retains and reserves unto itself without limitation all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States, and any resolution passed by County elected officials. Further, all rights which ordinarily vest in and are exercised by EMPLOYER except such as are specifically relinquished herein are reserved to and remain vested in the EMPLOYER, including but without limiting the generality of the foregoing the right (a) to manage its affairs efficiently and economically, including the determination of quantity and quality of services to be rendered, the control of materials, tools and equipment to be used, and the discontinuance of any services material or methods of operation; (b) to introduce new equipment, methods, machinery or processes, change or eliminate existing equipment, and institute technological changes and where practicable to train existing employees on new equipment or machinery; and, to decide on materials, supplies, equipment and tools to be purchased; (c) to determine the number, location and type of facilities and installations; (d) to determine the size of the work force and increase or decrease its size; (e) to hire, assign and lay off employees, to reduce the work week or the work day or effect reductions in hours worked by combining lay-offs and reductions in work week or work day; (f) to direct the work force, assign work and determine the number of employees assigned to operations; (g) to establish, change, combine or discontinue job classifications and prescribe and assign job duties, content and classification, and to establish wage rates for any new or changed classifications; subject to the rights of the UNION under PERA; (h) to determine lunch, rest periods and cleanup times, the starting and quitting time and the number of hours to be worked; (i) to establish work schedules; (j) to adopt, revise and enforce reasonable work rules and general requirements and to carry out cost and general improvement programs; (k) to transfer, promote and demote employees from one classification or department to another except that demotion shall not be utilized for the purpose of disciplining an employee; (l) to select employees for promotion or transfer to supervisory or other positions, and to determine the qualifications and competency of employees to perform available work subject to the provisions of Article; (m) to require overtime work as required in a manner most advantageous to the department.
The EMPLOYER reserves and retains, solely and exclusively, all rights to manage and direct its work forces, except as expressly abridged by the specific provisions of this Agreement, including by way of illustration, but not limitation, the determination of policies, operations, assignments, schedules, subcontracting, layoffs, etc., including this Article. All rights, functions, powers, and authority which the EMPLOYER has not specifically abridged, delegated, or modified by specific terms of this Agreement are recognized by the UNION as being retained by the EMPLOYER. No policies and procedures covered in this Agreement shall be construed as delegating to others or as reducing or abridging any of the authority conferred on the EMPLOYER by State law, or by the Constitution of the State of Michigan or the United States of America.

**ARTICLE 2**

**RECOGNITION OF THE UNION**

**SECTION 1. Definition of the Bargaining Unit.** Pursuant to and in accordance with all applicable provisions of Act 336, Public Acts of Michigan, 1947, as amended, the EMPLOYER does hereby recognize the UNION as the exclusive representative, for the purpose of collective bargaining in respect to rates of pay, wages, and conditions of employment, for the duration of the Agreement, of all employees of the EMPLOYER included in the bargaining unit described below:

All full-time and regular part-time employees classified as supervisory employees employed by the EMPLOYER at the Potter Park Zoo ("Zoo"), but excluding confidential, executive, and managerial as defined by MERC and identified as such by the EMPLOYER.

**SECTION 2. Condition of Employment.** Employees who are presently members of the UNION may voluntarily maintain such membership and voluntarily pay the UNION's uniform dues, fees and assessments. Employees, who are not members of the UNION and who do not become and remain members of the UNION, may voluntarily pay a service fee proportional to the UNION's collective bargaining costs including costs of collective bargaining and contract administration, the amount of which fee the UNION shall certify to the County.

The UNION agrees to indemnify and save the EMPLOYER harmless against any and all claims, suits or other forms of liability arising out of its deductions from an employee's pay of UNION dues, collective bargaining service fees or DRIVE contributions. The UNION assumes full responsibility for the disposition of the deductions so made, once they have been sent to the UNION.

**SECTION 3. Equal Representation.** Membership in the UNION is separate, apart, and distinct from the assumption by an employee of his/her equal obligations to the extent that he/she received equal benefits. The UNION is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the UNION. The terms of this Agreement have been made for all employees in the bargaining unit and not only
for members in the UNION, and this Agreement has been executed by the EMPLOYER after it has satisfied itself that the UNION is the choice of a majority of the employees.

SECTION 4. Payroll Deduction of Dues. During the period of time covered by this Agreement, the EMPLOYER agrees to deduct from the pay of any employee all dues and/or initiation fees of Local No. 243 provided, however, that the UNION presents to the EMPLOYER authorizations which shall conform to the respective state and federal law(s) concerning that subject, or any interpretation(s) thereof, signed by such employees, allowing such deductions and payments to the Local UNION. This may be done through the Steward of the UNION.

A. Amount of initiation fee and dues will be certified to the EMPLOYER by the Secretary-Treasurer of the UNION.

B. Monthly agency fees and initial agency fees will be deducted by the EMPLOYER and transmitted to the UNION as prescribed above for the deduction and transmission of UNION dues and initiation fees.

C. The calculation of UNION dues are input into the EMPLOYER's personnel system. The UNION recognizes that this system does not permit "rounding" of UNION dues.

D. The EMPLOYER shall only check off obligations which come due at the time of check off, and will make check off deductions only if the employee has enough pay dues to cover such obligation. The EMPLOYER is not responsible for refund to the employee if he/she has duplicated a check off deduction by direct payment to the UNION.

E. The EMPLOYER'S remittance shall be deemed correct if the UNION does not give written notice to the Human Resources Director within two (2) calendar weeks after remittance is transmitted of its belief, with reason(s) stated therefore, that the remittance is incorrect.

F. The UNION shall provide at least thirty (30) days written notice to the Human Resources Director of the amount of UNION dues and/or service fees and/or initiation fee to be deducted from the wages of employees in accordance with this Article. Any changes in the amounts determined will also be provided to the Human Resources Director at least thirty (30) days prior to its implementation.

SECTION 5. Payroll Deductions—drive. The EMPLOYER agrees to deduct from the paycheck of each employee covered by this agreement voluntary contributions to the Teamster DRIVE political action committee. DRIVE shall notify the Employer of the amounts designated by each contributing employee that are to be deducted from his/her paycheck on a bi-weekly basis. The Employer shall submit to the DRIVE office on a monthly basis, in one check, the total amount deducted along with the employees.
name. Participation in DRIVE is totally voluntary on the part of the employee. The above provision is null and void unless there is a change in the law which allows for such deductions by the County.

SECTION 6. Partial Invalidity. If any provision of the Article is invalid under federal law or the laws of the State of Michigan, such provision shall be modified to comply with the requirements of federal or state law or shall be renegotiated for the purpose of adequate replacement.

SECTION 7. Hiring and Termination Notice. The EMPLOYER shall notify the UNION in writing of the name of the employee, job classification, salary level, and starting date or termination date on a monthly basis.

Upon request the EMPLOYER will provide the UNION with the current address of all bargaining unit members.

SECTION 8. Letter of Introduction. As a way of introducing newly hired employees to the Teamster UNION, the EMPLOYER will give each new employee a letter of introduction provided by the UNION.

ARTICLE 3
NO STRIKE CLAUSE: PAST PRACTICE AND WAIVER PROVISIONS

SECTION 1. The UNION agrees that the UNION, its agents, or its members will not authorize, instigate, aid, condone or engage in a work stoppage, slowdown, strike, or other concerted activity which interferes with the operation of the EMPLOYER in anyway. Individual employees or groups of employees who instigate, aid, or engage in a work stoppage, slowdown, or strike may be disciplined up to and including discharge at the sole discretion of the EMPLOYER.

SECTION 2. There are no agreements which are binding on any of the parties other than the written provisions contained in this Agreement. No further agreement shall be binding on any of the parties until it has been put in writing and signed by the parties to be bound. This Agreement embodies all the obligations between the parties evolving from the collective bargaining process and supersedes all prior relationships.

SECTION 3. Waiver Clause. The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the EMPLOYER and the UNION, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered by this Agreement and with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not
have been within the knowledge and contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

ARTICLE 4
UNION REPRESENTATION

SECTION 1. Stewards. All employees covered by this Agreement shall be represented by one (1) steward and one (1) alternate steward. Should the need arise to change the areas of representation for stewards and/oralternate stewards, the UNION shall notify the EMPLOYER's Human Resources Director in writing of the names of the stewards and alternate stewards and the areas of representation.

In the absence of one of the above stewards, the UNION may appoint an alternate steward by notifying the Human Resources Director in writing. The Human Resources Director will then notify the immediate supervisor of the alternate steward status. The UNION shall keep the EMPLOYER's Human Resources Director advised at all times in writing of the names of all stewards and alternate stewards.

An alternate steward acting in the capacity of a steward has the same authority as a steward.

Employees shall have an opportunity to meet with or request the services of their steward, or alternate steward in the event the regular steward is not available, as is necessary for the investigation and adjustment of grievances provided it does not interfere substantially with the employee's work responsibilities and the steward's or alternate steward's work responsibilities. Employees must obtain the approval of their on-site supervisor before leaving the work place.

SECTION 2. Negotiations. The EMPLOYER will authorize one steward and the alternate to attend negotiation sessions that occur during their regular work hours without loss of pay. The UNION will furnish the Human Resources Director with a written designation of the steward who will serve on the UNION's bargaining committee prior to the first bargaining meeting. No substitutions will be permitted once negotiations commences, except in extreme situations which includes, but is not limited to, retirement, termination from employment, extended leave of absence and resignation from the steward position. Once replaced the substitution shall be permanent.

ARTICLE 5
DEFINITION OF EMPLOYEES

SECTION 1. Definitions.

A. Full-time employees: Employees regularly scheduled to work forty (40) hours per week shall be considered as regular, full-time employees. A regular full-time employee shall be entitled to the benefits under this Agreement except where otherwise indicated.
B. Three-Quarter-Time Employees: Employees regularly scheduled to work between thirty (30) and thirty-nine (39) hours weekly shall receive the following:

1) Vacation, vacation bonus, sick leave, funeral leave and holiday pay on a prorated basis.
2) Dental coverage the same as full-time employees are eligible to receive.
3) Overtime compensation, but only if said employees work over forty (40) hours per week.
4) Said employees shall also be eligible to receive two-person hospitalization insurance coverage paid by the Employer.
5) Retirement benefits where eligible under MERS.
6) Life insurance as provided in Article 7, Section 5.

Notwithstanding anything in this Agreement to the contrary, the Employer may reduce full-time employees' hours in lieu of layoff. Prior to layoff or reduction of hours, the Employer will meet with the Union to discuss the layoff or reduction of hours for specific positions within a department(s) and possible alternatives.

The affected employee(s) shall have the option to accept the reduced hours position. If the affected employee(s) declines the reduced hours position, then, under those circumstances, the Employer may fill that position with another person and the affected employee shall be laid off.

Except as stated above, when full-time employees are laid off, there shall be no new additional positions added for three-quarter time, part-time or special part-time employees in the same classification in the same department as the laid off full-time employee.

C. Probationary employees: An employee shall be considered a probationary employee for the first one thousand forty (1040) regular hours worked of employment. Temporary employees who are given the opportunity to become regular full-time employees must, as of the time they accept the opportunity, complete the full probationary period for the position assumed. During the probationary period, the employee shall have no seniority status and may be laid off, terminated, or disciplined in the sole discretion of the EMPLOYER without regard to his/her relative length of service. The decision of the EMPLOYER in this matter shall not be subject to the grievance procedure.

Regular hours excludes overtime but includes use of EMPLOYER approve accrued leave.
If a probationary employee transfers to a new position, a new probationary period shall begin and the employee’s probationary period shall end after the employee has worked one thousand forty (1040) regular hours in the new position.

D. Temporary/Seasonal employee: An employee who is hired for a period of six (6) months or less, and that time period begins each calendar year in approximately the same part of the year, such as summer or winter, will be considered a “temporary/seasonal employee” and shall not attain seniority and shall be compensated by wages only. A temporary/seasonal employee may be scheduled on a full-time or part-time basis, but must not work in excess of six (6) months per year on a County position within this bargaining unit. Upon completion of six (6) months continuous work, temporary/seasonal employees may not continue to work, or be rehired within six (6) months from the end of their employment period. Temporary/Seasonal employees who are hired into full-time positions shall have their seniority commence on their first day of employment in the full-time position.

SECTION 2. Contracted Benefits. Notwithstanding the above provisions, no benefits shall be afforded to any employee when the EMPLOYER’s contractual arrangement with a third party for said benefits do not permit coverage of said employee.

ARTICLE 6
HOURS OF WORK

SECTION 1. Work Schedule. The Employer may set a work schedule for employees. Nothing contained within this Agreement shall be construed to constitute a guarantee of eight (8) hours of work or pay per day or forty (40) hours of work or pay per week.

SECTION 2. Work Breaks. Employees shall be entitled to a rest or break period of not to exceed fifteen (15) minutes duration at the midpoint of the first half of their eight (8) hour shift and of not to exceed fifteen (15) minutes duration at the midpoint of the second half of their eight (8) hour shift wherever they may be at the time allotted for their area. It is understood that the employee’s immediate supervisor has the right to determine when a break period may be taken or when it is impractical to take the break at the allotted time. Work breaks do not accumulate if not taken.

Non-exempt veterinarian/horticulturist employees will have a thirty (30) minute unpaid lunch period to be taken four (4) hours after arriving at work. All other non-exempt positions will have a sixty (60) minute unpaid lunch period to be taken four (4) hours after arriving at work.
SECTION 3. Overtime. As to non-exempt employees, the Employer may prescribe overtime to meet operational needs. Overtime shall consist of any and all time assigned by Employer to be worked by an non-exempt employee in excess of forty (40) compensated hours during a work week defined as the seven (7) consecutive days between 12:01 A.M. Saturday and Midnight Friday. A nonexempt employee must be compensated for overtime worked at the rate of time and one-half (1 1/2) their regular rate of pay except that, upon request of the employee and approval of the EMPLOYER, the employee may be awarded compensatory time calculated at one and one-half (1 1/2) times the actual hours worked in lieu of wages. All compensatory time accrued over eighty (80) hours shall be paid out to the employee at the rate of time and one-half their regular rate of pay.

Prior approval of overtime hours is required by the Employer (except that the veterinarian or Zoo Security Coordinator shall not be required to obtain pre-approval for overtime involving the diagnosis or treatment of ill zoo animals or responding to other urgent calls). Premium payments shall not be duplicated for the same hours worked nor shall overtime or premium hours be included in the computation of a forty (40) hour work week.

SECTION 4. Call Back or Call In. Non-exempt employees covered hereby who are called in to work preceding their shift or called back after the end thereof shall receive two (2) hours minimum payment at their regular rate of pay for call back. Call back pay only shall be paid when an employee has left the premises and is subsequently called back to work at a time that is not continuous with his/her assigned schedule.

SECTION 5. Jury Duty. Employees who are called to serve on jury duty during scheduled working hours shall be compensated for the difference between the rate of pay for the jury duty and the employee's regular rate for the hours scheduled to work. An employee shall return to regularly scheduled employment with the EMPLOYER when temporarily or permanently excused from attendance at court provided that there is at least one (1) hour remaining of scheduled work. Employees shall submit evidence of attendance at jury duty upon request.

SECTION 6. On Call. Employees assigned to be on-call for "weekends" shall receive a flat fee of $20 per day. Such employees have to answer cell phone calls, and be available to come in to work within 1 hour. If the employee does come in to work, he/she shall be paid in accordance with Section 4 of this Article.

ARTICLE 7
SENIORITY

SECTION 1. Definition of Seniority. Seniority shall be defined as the length of the employee's continuous service within the Unit and with the EMPLOYER commencing from his/her last date of hire into a full-time, as previously defined, position. However, per agreement with the UNION and City of Lansing, employees who worked at the Zoo
and were employed by the City prior to the transfer to the EMPLOYER, will be credited for seniority purposes with such employ with the City. Continuous service is defined as that time actually spent on the active payroll of the EMPLOYER and in a bargaining unit position plus approved leaves of absence periods, unless otherwise provided in this Agreement. The application of seniority shall be limited as applied to the terms and conditions contained in this Agreement. Employees who are hired on the same date shall be placed on the seniority list in alphabetical order of surnames.

For any employee who transfers between bargaining units within the County (including Courts), such employee’s length of continuous service with the County (and the Courts) with no break in service prior to the transfer, shall be utilized for the purpose of calculating fringe benefit accrual but NOT for the purpose of calculating seniority within the new bargaining unit.

SECTION 2. Loss of Seniority/Employment. An employee shall lose his/her seniority and job for any of the following reasons:

A. He/she voluntarily resigns.
B. He/she is discharged for just cause and is not reinstated.
C. He/she retires.
D. He/she is laid off for a period greater than their seniority, but not to exceed twenty-four (24) months.
E. He/she fails to return to work upon recall from layoff.
F. He/she fails to return to work after expiration of leave of absence.
G. He/she makes an intentionally false statement on his/her employment application or on any application for leave of absence or on any other employment record or form.
H. He/she is absent from work for three (3) consecutive working days without notification to the EMPLOYER and is without an acceptable excuse for not notifying the EMPLOYER.

SECTION 3. The EMPLOYER shall prepare and maintain a seniority list which shall list the name, classification, anniversary date, and seniority date of each employee with seniority status. The EMPLOYER shall submit the seniority list to the UNION Treasurer and UNION Attorney on a quarterly basis.

SECTION 4. Layoff. In the event that a reduction in the work force is made at the Zoo, layoff shall be determined by seniority within each classification. Employees to be laid off shall receive ten (10) calendar days notice of layoff. It shall be at the sole discretion of the EMPLOYER to determine in which classification or classifications the layoffs shall take place.

SECTION 5. Bumping. The laid off employee may exercise his/her bumping rights within the Zoo, under the conditions stated below, however, a full-time employee bumping a part-time employee shall be entitled to only those benefits provided to such positions:
A. The bumping employee can bump laterally another Zoo employee in the same classification, but cannot move into a position of a higher salary grade.

B. The bumping employee must have more seniority than the Zoo employee in the position who is to be bumped.

C. A bumping employee may bump the least senior employee within his/her classification at the Zoo, except that a bumping full-time employee may bump the least senior full-time Zoo employee in order to maintain his/her full-time hours.

D. If there is no position available in the employee's classification, the employee may bump into the least senior position in the nearest lower salary grade within the Zoo that the employee would be eligible to bump into. However, a bumping full-time employee may bump the least senior full-time employee in order to maintain her/his full-time hours. Such an employee will retain secondary recall rights to her/his original salary grade/classification.

E. When probationary employees are in more than one regular position at the same salary grade into which a laid off or bumped employee would be eligible to bump, the EMPLOYER will determine the position into which the employee bumps.

F. If the bumping employee does not have the required degrees or certificates to bump the least senior employee, he/she may bump the least senior employee whose position he/she is qualified to perform.

G. The bumping employee must possess the necessary ability as determined by the EMPLOYER (ability is defined as having sufficiency of knowledge, skill and personal inclination to perform the tasks of the position, these attributes having been attained by previous experience in related work or education) which will qualify the employee to perform the work adequately, with minimal instruction.

H. An employee must inform the EMPLOYER of his/her decision to bump within three (3) working days from the date of the receipt of the layoff notification.

I. The foregoing bumping provisions shall not apply to temporary cases of layoff, not to exceed ten (10) work days.

J. Unit members may not bump, nor be bumped, by non-unit members.
SECTION 6. Bumping Pay Level. An employee exercising his/her bumping privileges or recall rights to another classification within the Zoo shall be placed at the same step in the new position as they held in their previous position unless the bump or recall exceeds two (2) grades or more at which time the employee will be placed at the step, if existing, which does not exceed fifteen (15%) percent decrease from their previous salary.

SECTION 7. Notice of Layoff Due to Being Bumped. The bumped employee shall have the same bumping rights as the laid off employee, seniority permitting, and must be given at least three (3) work days notification of his/her layoff due to being bumped.

SECTION 8. Bumping Between Departments Prohibited. Employees shall not be able to bump between departments or between bargaining units.

SECTION 9. Recall. It shall be within the sole discretion of the EMPLOYER to determine which classifications will be recalled. If there is more than one employee in the classification that is being recalled, then the last employee laid off shall be the first employee recalled.

SECTION 10. Notice of Recall. Notice of recall shall be sent to the employees at their last known address by Registered or Certified Mail or some other traceable means, i.e., UPS or Federal Express. A copy of the notice shall simultaneously be sent to the UNION Business Agent and Local President. If an employee fails to provide the EMPLOYER written notice of his/her intent to return to County employment within five (5) working days or fails to report for work within fourteen (14) calendar days from receipt of the notice of recall, he/she shall be considered to have resigned from his/her employment.

An employee that fails to report to work within fourteen (14) calendar days of when the notice was sent shall be considered to have resigned from his/her employment.

Employees on layoff shall notify the Human Resources Department of their current address within seventy-two (72) hours of layoff and immediately subsequent thereto of any change of address in order to afford the Human Resources Department the ability to notify said employee of recall. Failure to do so by the employee shall constitute a waiver by the employee of the EMPLOYER’s right to recall. The EMPLOYER will also send notice of the recall to the UNION attorney by first class mail.

SECTION 11. Seniority. Employees on layoff retain accrued seniority and continue to accumulate seniority at the time of layoff for a period equal to the employee’s seniority not to exceed twenty four (24) calendar months from the effective date of the layoff. After that period, seniority is lost. Continuous service shall not be interrupted by a leave of absence granted pursuant to the provisions of this Agreement.
ARTICLE 8
WAGE SUPPLEMENTS

SECTION 1. Bereavement Time. If a death occurs among a member of an employee’s immediate family, i.e., spouse, child, step-child, or parent, step parent, or the parent of a current or deceased spouse, the employee will be excused from work for up to five (5) working days without loss of pay from the date of death. Additional time may be granted by the Employer which shall be charged against earned sick leave, vacation accumulation, or personal leave. After the four (4) year eligibility period, employees whose employment terminates before December 1 because of service or disability retirement shall be paid a prorated bonus when they retire, based on the number of calendar months of full-time active employment credited to them from the preceding December 1st to the date of cessation of their active
employment. All other employees whose employment terminates for other reasons prior to December 1 shall not be eligible to receive a longevity bonus.

After the four (4) year eligibility period, as stated above, employees on an authorized unpaid leave of absence, as permitted under this contract, during the twelve (12) month eligibility period for a longevity bonus other than their initial longevity bonus, shall receive a prorated payment based on the number of complete months he/she received full Employer compensation (excludes worker's compensation), provided that the employee is eligible and receives a longevity payment the following year. Under such circumstances, the employee shall receive a retroactive pro-rata payment at the rate it was earned. The above limitation shall not be applicable to authorized leaves of absence which do not exceed in total thirty (30) days in a year. For example, if an employee is granted a fifteen (15) day leave one month and a fifteen (15) day authorized leave another month, and is otherwise eligible, he/she shall not lose any longevity payment. Employees on unpaid leave of absence due to illness during the 12-month eligibility period for a longevity bonus, other than their initial longevity bonus, shall receive a prorated payment based on the number of complete months he/she received full Employer compensation.

Longevity will be frozen for all current employees at the amount received in 2011 for the duration of the Agreement and move to the applicable level that the employee would have been eligible for in 2012 beginning with the longevity year starting December 1, 2014.

Employees hired on or after March 26, 2013, are not eligible to receive longevity bonus for service with the Employer.

B. The longevity bonus payment schedule shall be as follows:

<table>
<thead>
<tr>
<th>Continuous Employment</th>
<th>Annual Bonus</th>
</tr>
</thead>
<tbody>
<tr>
<td>4 or more, but less than 8 years</td>
<td>3% of Annual Wage</td>
</tr>
<tr>
<td>8 or more, but less than 12 years</td>
<td>5% of Annual Wage</td>
</tr>
<tr>
<td>12 or more, but less than 16 years</td>
<td>7% of Annual Wage</td>
</tr>
<tr>
<td>16 or more years</td>
<td>9% of annual Wage</td>
</tr>
</tbody>
</table>

C. The longevity bonus shall be computed as a percentage of the employee's annual base salary or wage. Base salary or wage shall be that which an employee is being paid on October 1 of the fiscal year in which a longevity bonus is due, and shall not include overtime pay, premium pay, uniform allowance per diem, or travel allowance, or any other compensation, including worker's compensation. No longevity payment as above
scheduled shall be made for that portion of an employee's base salary which is in excess of TWENTY THOUSAND DOLLARS ($20,000.00).

D. By November 1 of each year, each department head shall furnish the Financial Services Department with a list of employees who are eligible to receive a longevity payment. The department head shall indicate the amount of the longevity bonus due such employee. The Financial Services Department shall review each list to assure that dates of continuous employment correspond with the employment records and that the proposed payments are consistent with the collective bargaining agreements; make any revisions necessary; inform the department head; and provide one (1) list of approved longevity payments to the Controller. The Controller shall authorize payment pursuant to County procedure.

E. After the four (4) year eligibility period, those employees who are then placed on either part-time or special part-time status from their regular full-time position by the Employer, are laid off, or commence disability insurance compensation, shall have their longevity computed on a pro-rata basis.

F. It is expressly understood and agreed that worker's compensation is not considered paid time or "compensation" for the purposes of this Article.

G. If, prior to the completion of the initial four (4) year eligibility period, an employee has a break in service or is reduced to less than full-time due to no fault of their own for twelve (12) months or less during the longevity year, then, under such circumstances, the employee, upon returning to work, may use the completed prior year(s) of continuous, regular, compensated employment to arrive at the required four year eligibility period for longevity. However, the year in which the interruption occurred will not be counted in arriving at the required four years of service.

An eligible employee would not lose all prior years of service for the initial longevity period if he/she were on an approved unpaid leave of ninety (90) days or less. For a leave of ninety-one (91) days or more, he/she would forfeit all prior years and would have to start over again. The employee would lose the year where the leave of absence occurs for the ninety (90) days or less for computing longevity.

SECTION 12. Personal Leave Days. Two (2) personal leave days per year (sixteen [16] hours) may be taken by each employee upon approval of the Employer said eight (8) hour days shall be taken from accumulated sick leave and shall not accumulate if not taken within the calendar year. The personal leave day (eight [8] hours) shall not be used on the day preceding or the day following a holiday (as defined in the Holiday Article of this Agreement), nor on the day preceding the start of or the date following the end of an employee's vacation. Except that in cases of emergency, the employee shall advise the EMPLOYER of his/her request before the end of the
preceding work day. Personal leave shall be taken in increments of not less than one (1) hour.

The authorization for leaves of absence under this SECTION must be approved in writing by the Employer. Except in cases of emergency, the employee shall advise the EMPLOYER of his/her request at least three (3) working days prior to the start of the leave.

SECTION 3. Application. Disciplinary action will be taken for just cause. In the event the disciplinary action results in loss of pay or discharge, or a written notice of discipline is inserted in the employee’s personnel file, the employee will be informed of his/her right to be represented by his/her steward immediately prior to the disciplinary action being imposed. In the event of disciplinary action taken, the Employer shall provide written summary statement of the reasons why said action is being imposed.

The Employer’s contribution shall be capped at the above percentage amount of the existing contribution for current employees for single health care coverage. Employees shall not be eligible until they reach 60 years of age.

E. Retirees eligible for retiree health and hospitalization coverage may also enroll at the retirees’ cost in dental and vision coverages offered to active employees, provided they enroll for such coverages upon retirement. Retirees that enroll in dental and vision coverage and subsequently drop coverages, may not re-enroll.

F. Notwithstanding any contrary provision contained in this Article, the obligation of the EMPLOYER to pay for and provide retiree health insurance shall cease in the event that comparable health insurance is available to the retiree through another EMPLOYER or source, such as his/her spouse’s EMPLOYER.
