General Exclusions

Your benefits do not include the following, except as otherwise noted:

Any drug not defined by CMS as a Part D drug.

Any drug prescribed for a non-covered illness or injury.

Any drug you receive before your effective date of coverage or after the date your coverage has ended.

Any costs related to the mailing, sending or delivery of prescription drugs; unless you are utilizing our mail-order pharmacy which includes first class delivery service.

More than one prescription for the same drug until at least 75% (up to a 30 day supply) or 83% for anything 31 days or over of the prescription has been used by the member based on the dosage schedule prescribed by the network provider. If received through the mail-order pharmacy program at least 66% of the previous prescription has been used. The exception to this is ophthalmic solutions where the threshold is 70% through a retail pharmacy or 66% through mail-order.

Any fraudulent misuse of this benefit, including prescriptions purchased for consumption by someone other than the member.

Any drug determined by Humana to require prior authorization and prior authorization is not obtained.

Prescriptions or refills for drugs that are lost, stolen, spilled, spoiled or damaged.

Any refunds or credits for prescription copayments or coinsurance after a prescription has been filled, regardless of whether the request is because of an adverse reaction or a change in the dosage or prescription.

Any drug prescribed for intended use other than for indications approved by the FDA or recognized off-label indications through peer-reviewed medical literature.

May exclude drugs such as Viagra, Cialis, Levitra, and Caverject when used for the treatment of sexual or erectile dysfunction.
