

## **ADULT CHILDREN**

Adult children may be covered on your health, dental, and vision insurance until the end of the month in which they turn 26 years old. They do not have to be an IRS dependent or a full time student and can be married.

They would not be eligible for coverage if they are offered comparable insurance through their own employer. Questions may be directed to the Benefits and Insurance office using the following contact information:

Ingham County Financial Services  
POB 319  
121 E Maple St  
Mason MI 48854

Located on the second floor of the Hillard Building in Mason
