

A²CT Cost Transparency Program

Help reduce claim and healthcare costs by having CIC Benefit Consulting Group compare prices for common tests and procedures. Three out of four times they can find a lower cost option! Some procedures can have a difference of over \$1,000 which can equal tens of thousands of dollars in claims savings throughout the year. (May include providers within a 90 mile radius)

Common (non-emergent) procedures include, but are not limited to:

- ✓ Colonoscopies
- ✓ MRIs
- ✓ CT scans
- ✓ Ultrasounds
- ✓ Mammograms
- ✓ Lab work
- ✓ X-rays

Contact an analyst for comparisons and with questions!

Information Required for Comparison Report:

- Name of Employee and Employer
- Employee contact information including email (if comparison can be sent electronically)
- Name of Patient and Patient's Date of Birth
- Type of test/s being performed (an analyst may require a procedure code from the ordering physician to complete)
- Name of ordering physician and where the test is to be completed, and date of service if scheduled at time of request.

- Please allow 48 hours to receive a report. A comparison report cannot be guaranteed without adequate notice.
- Please be sure to provide at least 24 hours cancellation notice for scheduled tests, if you decide to schedule with a more cost effective option.
