

Teladoc

What is telehealth and telemedicine?

Teladoc provides access to U.S. board-certified doctors and pediatricians via phone or online video consultations. Telehealth services are only a call or click away.

When can I Teladoc?

It's simple: Anytime. Anywhere. With Teladoc you have 24/7/365 access to U.S board-certified doctors.

All Teladoc consults are at no cost to you when your employer partners with CICBCG!

Step 1: Contact Teladoc.

Step 2: Talk with a doctor.

Step 3: Resolve your issue.

Step 4: Settle up.

Step 5: Smile.

Add/update dependents, complete medical history questions, and request a consult.

Is available 24/7/365.

Quality care is only a call or click away. You will receive a call back from a board-certified doctor within 2 hours. Now that's access to care!

MEMBER SATISFACTION

Upload the free Teladoc app for Apple and Android devices.

From wherever you are.

Teladoc from home, work, on vacation, or while traveling internationally. Compare that with taking a day off from work to sit in a waiting room.

For less money.

Teladoc is free to you, with an employer who partners with CICBCG, unlike higher cost urgent care or ER visits for non-emergency medical care.

Activate Your Teladoc Account

Go to www.teladoc.com to activate your account. Click on Set Up Account and updated your personal information and medical history, including allergies and current prescriptions.
